2.2 Registered providers must annually publish evidence in the statutory accounts to enable stakeholders to understand the provider’s:

a. performance against its own value for money targets and any metrics set out by the regulator, and how that performance compares to peers

b. measurable plans to address any areas of underperformance, including clearly stating any areas where improvements would not be appropriate and the rationale for this.
The regulation of social housing is the responsibility of the Regulation Committee, a statutory committee of the Homes and Communities Agency (HCA). The organisation refers to itself as the Regulator of Social Housing in undertaking the functions of the Regulation Committee. References in any enactment or instrument to the Regulator of Social Housing are references to the HCA acting through the Regulation Committee. Homes England is the trading name of the HCA’s non-regulation functions.
