

QUARTERLY REVENUE OUTTURN FOR LOCAL AUTHORITIES IN ENGLAND: QUARTER 3 2011-12

Correction to 'Quarter 3 2011-12 - Individual local authority data' published alongside the Statistical Release

1. Following publication at 9:30am 9 March 2012, an error was identified in the local authority level data for Q1 and Q2 that accompanied the main statistical release.
2. The local authority level data listed under quarter 1 and 2 has been corrected after of a summation error was identified. Lines 14, 18 and 19 were not correctly included in the 'total service expenditure' (line 20) aggregation. This error also impacted on line 36, 'net current expenditure'.
3. This error and subsequent correction to the figures have had no impact on the national level figures or the main statistical release.
