

## Impact Assessment: Magna Carta Primary Academy (MCPA)

School name	School type	Capacity	Attainment data 2015	Ofsted grade	Impact rating
Bentfield County Primary School	Community School	210 school places  Number of surplus places (May 2015): 4  Surplus at point of entry year (Oct 2015): -21	73% of pupils achieved level 4 or above in reading and mathematics test  Well below the average of National (80%) and LA (81%).	Good – Jan 2014	<b>Minimal</b>  This school is 0.4 miles away from MCPA. MCPA is unlikely to have a significant impact on Bentfield Primary School, because the school is judged good by Ofsted, its attainment data has been improving since 2013 and it has a low number of surplus places.  Essex County Council has identified a need for a new school in Stansted Mountfitchet.
St Mary's CofE Foundation Primary School	Foundation School  Church of England	320 school place  Number of surplus places (May 2015): 52  Surplus at point of entry year (Oct 2015): 0	85% of pupils achieved level 4 or above in reading and mathematics test  Well above the average of National (80%) and LA (81%).	Good – Apr 2015	<b>Minimal</b>  This school is 0.6 miles away from MCPA. MCPA is unlikely to have a significant impact on St Mary's, because the school is judged good by Ofsted, its attainment data is well above National and LA averages and it has a low number of surplus places.  Essex County Council has identified a need for a new school in Stansted Mountfitchet.

<p>Birchanger Church of England Voluntary Controlled Primary School</p>	<p>Voluntary Controlled School Church of England</p>	<p>125 school place Number of surplus places (May 2015): 18  Surplus at point of entry year (Oct 2015): 4</p>	<p>67% of pupils achieved level 4 or above in reading and mathematics test  Well below the average of National (80%) and LA (81%).</p>	<p>Requires Improvement – Feb 2015</p>	<p><b>Minimal</b>  This school is 1.3 miles away from MCPA. MCPA is unlikely to have a significant impact on Birchanger, because while Birchanger is judged by Ofsted to require improvement, the school's attainment data has been improving since 2013.  Essex County Council has identified a need for a new school in Stansted Mountfitchet.</p>
<p>Manuden Primary School</p>	<p>Community School</p>	<p>95 school place Number of surplus places (May 2015): - 11  Surplus at point of entry year (Oct 2015): 0</p>	<p>92% of pupils achieved level 4 or above in reading and mathematics test  Well above the average of National (80%) and LA (81%).</p>	<p>Outstanding – Mar 2009</p>	<p><b>Minimal</b>  This school is 1.6 miles away from MCPA. MCPA is unlikely to have a significant impact on Manuden, because the school is judged outstanding by Ofsted, it has attainment data well above the National and LA averages and it has a low number of surplus places.  Essex County Council has identified a need for a new school in Stansted Mountfitchet.</p>

Elsenham Church of England Primary School	Voluntary Aided School Church of England	240 school place  Number of surplus places (May 2015): 19  Surplus at point of entry year (Oct 2015): 30	83% of pupils achieved level 4 or above in reading and mathematics test  Just above the average of National (80%) and LA (81%).	Good – Jul 2014	<b>Minimal.</b>  This school is 1.8 miles away from MCPA. MCPA is unlikely to have a significant impact on Elsenham, because the school is judged good by Ofsted, it has attainment data above the National and LA averages and it has a low number of surplus places.  Essex County Council has identified a need for a new school in Stansted Mountfitchet.
All Saints Church of England Primary School and Nursery, Bishop's Stortford	Voluntary Aided School Church of England	210 school place  Number of surplus places (May 2015): 2  Surplus at point of entry year (Oct 2015): 0	97% of pupils achieved level 4 or above in reading and mathematics test  Well above the average of National (80%) and LA (81%).	Good – May 2014	<b>Minimal.</b>  This school is 2.2 miles away from MCPA. MCPA is unlikely to have a significant impact on All Saints, because the school is judged good by Ofsted, it has attainment data well above the National and LA averages and it has a low number of surplus places.  Essex County Council has identified a need for a new school in Stansted Mountfitchet.
Farnham Church of England Primary School	Voluntary Aided School Church of England	54 school place  Number of surplus places (May 2015): 22	No KS2 data  (the reason there are no KS2 results for this school is that there are only five pupils eligible	Good – Oct 2015	<b>Minimal.</b>  This school is 2.2 miles away from MCPA. MCPA is unlikely to have a significant impact on Farnham, because the school is judged good by

		Surplus at point of entry year (Oct 2015): 2	for KS2 assessment, so all of the attainment measures have been suppressed).		Ofsted and it has a low number of surplus places.  Essex County Council has identified a need for a new school in Stansted Mountfitchet.
Summercroft Primary School	Academy Converter	420 school place  Number of surplus places (May 2015): 0  Surplus at point of entry year (Oct 2015): 1	88% of pupils achieved level 4 or above in reading and mathematics test  Well above the average of National (80%) and LA (81%).	Requires Improvement – Nov 2014	<b>Minimal.</b>  This school is 2.2 miles away from MCPA. MCPA is unlikely to have a significant impact on Summercroft, because while the school is judged by Ofsted to require improvement, it has attainment data well above the National and LA averages and it has a low number of surplus places.  Essex County Council has identified a need for a new school in Stansted Mountfitchet.
