The Warren School	Academy Sponsor Led	1	1380	35	49%	No Ofsted grade	N/A	Minimal – although this school has substantial surplus places and below average attainment, we would anticipate that the interventions from the school's new sponsors would overcome some of the negative associations with the previous school by the time that the new school is taking secondary pupils. This, the new school's Sikh faith designation and the fact that there is expected to be basic need in the area by the time that the new school is taking secondary school pupils should mitigate the impact on the school

Mayfield School	Foundation School	1.1	2186	-10	50%	Good	20/03/14	Minimal – although this school has substantial surplus places, the impact of the new school will be limited by the school's 'good' Ofsted rating, by the new school's Sikh faith designation and by the fact that there is expected to be basic need in the area by the time that the new school is taking secondary school pupils.
