

## Yavneh Primary School – Impact Assessment

School name	Type	Faith	Distance from FS (miles)	Capacity (May 2015)	Number of surplus places (May 2015)	Surplus at point of entry year (2014/15)	Attainment 2015	Inspection rating	Inspection date	Impact (preliminary judgement)
Monksmead School	Community School	None	0.2	210	0	1	91%	Good	06-Mar-2012	<b>Minimal.</b> The free school is unlikely to affect the long term financial viability of the school as it is Ofsted Good with above LA and national average exam results and very few surplus places.
Summerswood Primary School	Community School	None	0.3	420	74	6	66%	Requires Improvement	06-Nov-2014	<b>High.</b> The free school is likely to affect the long term financial viability of the school as it is Ofsted Requires Improvement with exam results significantly below LA and national averages. In addition, out of the 420 places at the school, there are 74 surplus places. However, as a Jewish faith designated school, the new free school will attract pupils that might not have attended Summerswood, mitigating the high risk to the existing school's financial viability.

St Teresa Roman Catholic Primary School	Voluntary Aided School	Roman Catholic	0.4	210	1	0	86%	Requires Improvement	14-May-2014	<b>Moderate.</b> The free school may affect the long term financial viability of the school as it is Ofsted Requires Improvement. However, this risk is mitigated by the low level of surplus places and the fact that exam results are above LA and national averages.
Kenilworth Primary School	Community School	None	0.5	210	14	0	73%	Good	07-Nov-2014	<b>Moderate.</b> The free school may affect the long term financial viability of the school as exam results are below LA and national averages and there are surplus places. However, this risk is mitigated by the fact the school is Ofsted Good.
Saffron Green Primary School	Community School	None	0.7	210	20	1	100%	Good	16-May-2013	<b>Minimal.</b> The free school is unlikely to affect the long term financial viability of the school as it is Ofsted Good with significantly above LA and national average exam results.
Cowley Hill School	Community School	None	0.8	406	16	-1	77%	Good	06-Dec-2011	<b>Moderate.</b> The free school may affect the long term financial viability of the school as exam results are below LA and national averages and there are surplus places. However, this risk is mitigated by the fact the school is Ofsted Good.
Woodlands Primary School	Community School	None	0.9	210	7	0	81%	Good	09-Mar-2012	<b>Minimal.</b> The free school is unlikely to affect the long term financial viability of the school as it is Ofsted Good with

										above national average exam results.
Meryfield Primary School	Community School	None	1.1	420	29	1	91%	Good	29-Nov-2011	<b>Minimal.</b> The free school is unlikely to affect the long term financial viability of the school as it is Ofsted Good with significantly above LA and national average exam results.
Parkside Community Primary School	Foundation School	None	1.2	420	149	8	78%	Good	26-Sep-2013	<b>Moderate.</b> The free school may affect the long term financial viability of the school as exam results are below LA and national averages and there are high levels of surplus places. However, this risk is mitigated by the fact the school is Ofsted Good.
St Nicholas Elstree Church of England VA Primary School	Voluntary Aided School	Church of England	1.4	210	31	10	59%	Good	28-Feb-2014	<b>Moderate.</b> The free school may affect the long term financial viability of the school as exam results are significantly below LA and national averages and there are surplus places. However, this risk is mitigated by the fact the school is Ofsted Good.
Broadfields Primary School	Academy Converter	None	1.7	690	93	-3	94%	Good	20-May-2015	<b>Minimal.</b> The free school is unlikely to affect the long term financial viability of the school as it is Ofsted Good with significantly above LA and national average exam results.
