B. Commitments for Inclusive Education:

Please select the category which your commitment most relates to:

Inclusive education sector plans (governments only)

Please enter the exact wording of the commitment/s, including details of others who have supported its development (75 words limit):

To ensure that inclusive education has been inclusively achieved in the state. a State Level DFID programme known as Mobilising for Development (M4D) has supported our course thereby encouraging other public sectors to become disability conscious in terms of planning and budgeting, consequent upon that a State Wide Sectorial Community Based Rehabilitation Framework (CBR) has been developed and implementation is already seeing the light of the day. Positive changes manifest through various disability programmes.

Timeframe and/or implementation plan (75 words limit)

An Example of EDUCATION SECTOR CBR 2018 OBJ: Free, functional and qualitative education made accessible to PWDs and their dependents at all levels. SPECIFIC TARGET =Increase 10% of PWDs and their dependents of school age enrolled into inclusive schools. STRATEGY Create awareness for parents of PWDs, PWDs themselves & School Based Management Committees (SBMCs) on the importance of enrolling PWDs of school age into schools. Time Frame 2018

C. Commitments for Economic Empowerment:

Please select the category which your commitment most relates to:

Inclusive social protection systems

Please enter the exact wording of the commitment/s, including details of others who have supported its development (75 words limit):

The Jigawa State Social Protection Policy which has been hugely supported by **Save the Children International (SCI) and Action Against Hunger (AAH)** is intended to provide the much-needed institutional framework and coordination mechanisms to optimize the impact of existing and emerging social investment interventions as paradigm shift from realm of the traditional “basic social services sector” devoid of a deliberate policy that ensures maximum reach and impact of the interventions on core vulnerable groups.

Timeframe and/or implementation plan (75 words limit)

The prioritization and sequencing of Social Protection programmes are set out in the context of policy measures, policy objectives and implementation strategies within nine domains. These are:- i. Education and Health Services ii. Child Welfare and Protection iii. Social Housing iv. Livelihood and Employment v. Social Insurance Schemes vi. Social assistance vii. Micro and Small-Enterprise Development (MSE) viii. Traditional Family and Community Support ix. Legal Support and Mediation.

E. Commitments for Data Disaggregation:

Please select the category which your commitment most relates to:

Commit resources to support strengthened disability data

Please enter the exact wording of the commitment/s, including details of others who have supported its development (75 words limit):

Data is considered paramount for any organisational progress and development and poor data or lack of data has far reaching implications for planning and human resources development. Good data for the management of disability affairs has become necessary due to the nature and complexity of disability issue. In an effort to have a reliable data for planning in 2016 a survey on the total number of PWDs was done by the Jigawa State Rehabilitation Board. Supported by M4D

Timeframe and/or implementation plan (75 words limit)

In 2016 Data was captured and stored
