Authorized Amendment
Summary/Overview of the amendment to explain/ensure that the reader understands: the rationale for the amendment; the major changes; and, importantly, the full context (including desired outcome) of the amendment.

The Regulated Community is reminded to check this amendment against any applicable AAMC, Waivers or Exemptions to ensure their ongoing validity.

The amendment incorporates outstanding Requests For Change and updates: references, terms, abbreviations, definitions, and obsolete phrases.
 The objective of the MAA02 review was to bring consistency to the MAA's Master Glossary as well as more effectively defining, and the removal of obsolete, terms. The changes incorporated are aimed at helping clarify the terms used throughout the MAA Regulatory Publications (MRP) set allowing the Regulated Community to better understand and implement Regulation.
