Request to change Humanitarian Protection status to refugee status

This form is only for people resettled under the Vulnerable Persons Resettlement Scheme or the Vulnerable Children’s Resettlement Scheme
Please read the following information before completing this request form

Who can use this form

Use this form if you wish to change your status in the UK from Humanitarian Protection to refugee status.

You cannot use this form to change the length of your leave nor to change any of the biographic details on your Home Office documents.

Each person applying, including any dependants, must use a separate request form.

You can only use this form if you have been resettled under one of the following resettlement schemes:

- Vulnerable Persons Resettlement Scheme (VPRS)
- Vulnerable Children’s Resettlement Scheme (VCRS)
Do not use this form for any children born in the United Kingdom to people who arrived under one of the above schemes.

In the above circumstances, a letter requesting that the UK-born child be granted either Leave to Remain or refugee status in line with their parent(s), should be sent to the address below.

Requests for UK-born children must be sent after parents have completed their change of status.

The letter must confirm the nationality of the child and their home address. It must also include:

- the UK-born child’s original long birth certificate
- the UK-born child’s Biometric Residence Permit (BRP) and Home Office Travel Document (if held)
- evidence of their parents’ UK status; and
- 2 passport photographs

The request letter and documents should be sent to:

Home Office
Grant in Line Admin Team
7th Floor
Capital Building
LIVERPOOL
L3 9PP
We will check your details with the police and other government departments to make sure that you are eligible to be granted refugee status under the Immigration Rules.

**You must send us your Biometric Residence Permit (BRP) with this request before we can consider changing your status.** Please take a photocopy of your BRP before you send it to us with your completed form.

If we decide to grant refugee status, and you have already been issued with a Certificate of Travel, we will normally replace this with a 1951 UN Convention Travel Document and refund you the difference between the cost of the two documents. **You must send us your Certificate of Travel if you have one and any national passport you hold with this request.** We will not return these documents to you.

If you are sending us a Certificate of Travel, you must also enclose two identical colour photographs of yourself against a cream/light grey background. The photographs must have been taken within the last month as specified in the separate [passport photo guidance](#).

You must make sure one of the photographs is certified by a professional person using the following wording: “I certify that this is a true likeness of (your name)”, followed by their signature, name and date.

Only one of the professional people specified below can certify photographs:

- Immigration Adviser regulated by the Office of the Immigration Service Commissioner at level 1 or above
- Adviser accredited under the Immigration and Asylum Accreditation Scheme at probationer level or above
- Bank Manager, Doctor, Magistrate, Minister of Religion, Police Officer
- Prison Officer, Probation Officer, Social Worker, Solicitor, Teacher
If we do grant you refugee status and you have not been issued with a Certificate of Travel but you are in possession of a national passport, you will no longer be able to use that passport to travel as this could affect your refugee status.

If granted refugee status and you do not have a Certificate of Travel, you may apply separately for 1951 United Nations Convention Travel Document using application form TD112(BRP) which can be found on www.gov.uk
