

## Housing Tenants

Please note, bodies in Wales should follow the data specification available on the [Wales Audit Office website](#) (external link).

### Requirements

- Data submitted should meet this data specification i.e. include all field names
- Data should **only** be submitted via the Data File Upload (DFU) facility. This is now the only acceptable method to supply data. If another submission method is used our policy is to inform the Director of Finance that data has been put at risk unnecessarily.
- Data should only be provided in relation to residential properties. **Do not** submit data for garages, sheds etc.
- Data should be provided for all named tenants i.e. first named tenants, joint tenants or other tenants. Do not provide data for dependents.
- In order to ensure that the submission of data using the DFU facility is as straightforward as possible data should be uploaded in two separate files:
  1. Current named tenants including those where a right to buy purchase is in progress; and
  2. Former tenants who completed a right to buy application between 1 April 2016 to the date of extract (3 October 2018), or as a minimum 1 April 2016 to date of extract.
