- (b) to verify and demonstrate the accuracy of information supplied by you in respect of Contract Work;
- (c) to enable Assessments to be performed;
- (d) to verify and demonstrate the accuracy of all information supplied by you under or in connection with Clause 14;
- (e) to facilitate an Official Investigation; and
- (f) for such other purposes as we reasonably consider necessary in connection with our statutory duties or functions.

Storing files and Records

8.5 You must securely store all files which are required to be created and maintained in accordance with Clause 8.1 above together with all documents provided to you by or on behalf of your Client, a court or any Relevant Professional Body which relate to Contract Work carried out for a Client. You must have in place appropriate security procedures to ensure that non-authorized persons do not gain access to such information.

8.6 You must maintain Records (excluding Contract Work files) for a period of six years from the date the relevant Record is created, save where such Records are required to be maintained for longer as required by applicable law or by any Relevant Professional Body. In these cases you must maintain such records in accordance with such requirements (and if more than one such body specifies a period, it shall be the longest period for the purpose of this Clause 8.6).

8.7 Subject to Clause 8.8, you must securely retain all the Contract Work files (including all documents originally placed on the file, and file records) of all Clients for whom you have performed work under this Contract or any prior agreement with us for any Contract Work (or equivalent) covered by this Contract until the later of the date you are required by law and/or your Relevant Professional Body (and if more than one such body specifies a period, it shall be the longest period for the purpose of this Clause 8.7) to retain the same and the end of the period of six years from the date of the last of the following events to occur:

- (a) you have correctly reported closure of the Matter or case to us;

- (b) a final Claim for your work on the Matter or case has been submitted to us;
or
- (c) all payments in respect of the Matter or case have been made.

8.8 You need not retain closed files (or copies of them) if the Matter or case has been transferred elsewhere at the Client's request, including if they have changed Provider. However, you should retain copies if, without them, there is a risk that you will be unable to demonstrate compliance, as required by Clause 7. Where a Client has changed Provider, obtaining an irrevocable undertaking from the new Provider to return the file, should it be required for Audit purposes, will be sufficient.

8.9 Without limiting our rights under Clause 9.1, Records may be held by you pursuant to this Clause 8 in any manner, provided that you are able to comply with your obligations to provide such information to us in accordance with Clauses 8 and 9.

Electronic files

8.10 In respect of Contract Work files which you hold electronically, you must ensure that such electronic files contain an accurate and complete record of all matters which would have been included had such file been a paper file, including:

- (a) ensuring that documents are held in pdf format; and
- (b) in relation to any paper documents which you save in electronic format for storage, having a process in place (and you must comply with such process) for ensuring that electronic copies are accurate copies of the corresponding paper document.

Forms you have to complete

8.11 You must complete, and return to us within such period as we may specify, such Contract Report Forms as we may reasonably specify. We will give you at least 28 days' notice of the introduction of any new Contract Report Forms (including for the avoidance of doubt, any electronic Contract Report Forms) and of any amendments to any Contract Report Forms.

Lien over Client files

8.12 By virtue of performing Contract Work you do not obtain any lien over any Client files or any other rights in the work or documents relating to them.

Provider intellectual property rights

8.13 Subject to Clause 8.12 and unless provided otherwise in this Contract, we shall not receive any right, title or interest in respect of the intellectual property rights owned by you in respect of any document produced by you for your Clients.

9. Provision of information and access to your premises

Information you must provide and within what period

- 9.1 We may from time to time require you to provide us with Records in connection with the performance of your obligations under this Contract, including during any Audit. You will provide us with the same promptly and in any event within ten Business Days or such other time period as we may reasonably specify. If any such Records are held by a third party you must promptly, upon receipt of our request, arrange for such Records to be sent to us.

Audits and Official Investigations

- 9.2 At any time during the Contract Period we may conduct an Audit and you will, if we request, in order to enable us to conduct an Audit grant to us, our employees, agents or any statutory or regulatory body on not less than 48 hours notice (or immediately upon request where you are subject to any Official Investigation) access to any premises (occupied, owned, leased or controlled by you) during Business Hours from which you are performing your obligations under this Contract.
- 9.3 We may also undertake an Audit after the end of the Contract Period where:
- (a) you are performing Remainder Work;
 - (b) any Claims are outstanding (including where any Assessment has not been completed) or have not been submitted; or
 - (c) to conduct an Official Investigation.
- 9.4 Once we have notified you that an Official Investigation is to take place, unless you have our prior consent you must not remove any Records from your premises. If we require access to any Records which are not held at your premises you will promptly, at our direction, either arrange for us to have access to such Records at the location where these are held (including access to premises of sub-contractors) or arrange for such Records to be sent to your premises to which we have access. For the purposes of this Clause 9.4, you must ensure that any agreement you have with any sub-contractor you appoint pursuant to Clause 3 includes a directly enforceable right for us to enter their premises to access any Records held at such premises.

Quality Standard Audits

- 9.5 At our request you must submit to us, by such date as we may reasonably specify, information regarding your Quality Standard. This may include information in respect of the expiry date of your Quality Standard, or the dates of planned or completed audits where your Quality Standard is audited by a third party. You must write to us with the outcome of the third party's audit and provide us with a copy of their report within seven days of your receipt of it. You must ensure that the third party is aware of this provision and consents to it.

Co-operation, assistance and facilities you must provide during an Audit

- 9.6 You must co-operate with us, our employees, agents or any statutory or regulatory body during any Audit (including when you are subject to an Official Investigation) carried out by us. You must provide all such explanations and answer truthfully, fully and promptly all questions which are put to you by any

person carrying out the Audit and which relate to this Contract. You must, as soon as we require it, provide us with such assistance and facilities as we may reasonably require including the following:

- (a) such facilities as any person carrying out the Audit may request to facilitate the Audit to take place including private interviewing facilities;
- (b) making available your personnel and sub-contractors appointed by you in accordance with Clause 3 and their personnel and your representatives for meetings with any person carrying out the Audit as requested;
- (c) making available any Records in connection with the performance of your obligations under this Contract as any person carrying out the Audit may request including providing assistance in accessing such Records in the format we require (including electronic and paper format);
- (d) produce Records which are held on computer or on microfilm or otherwise (and in each case wherever located) convert them into a readily legible document or any other record which any person carrying out the Audit may request;
- (e) provide to us in a readily legible form copies of Records requested by us (and/or permit any person carrying out the Audit to copy Records using any reasonable means required by such person, at your expense) and we shall be entitled to remove such copies and hold them elsewhere;
- (f) in the case of an Official Investigation only, provide access to any Records held on your computer systems (and/or the computer systems of any sub-contractors on which such Records are held or are reasonably believed by us or our agents or a statutory or regulatory body to be held) (including images of the hard drive).

Unless we agree otherwise, your Contract Liaison Manager must be available to us during any Audit.

9.7 Any breach by you of any of Clauses 9.1 to 9.6 will be deemed to be a Fundamental Breach.

Costs of Audit

9.8 If Clause 14.21 applies you shall reimburse us with the Reasonable Costs we incur in conducting the relevant further Audit.

Keeping Records about Contract Work separately from information about other work

9.9 You must be able to provide Records about Contract Work and your performance under and compliance with this Contract (including Records in respect of time recording and invoicing) separately from other information about any other services you perform. If you have information about other services, you must ensure that this does not prevent you from complying with this Contract, including on the ground of privilege.

Failure to provide required access or Records

9.10 If you fail to co-operate, provide access or Records as required by Clauses 7, 8 or 9 we have reasonable grounds to believe that there is a risk to Clients and/or

public funds. We may, therefore, without limiting our rights to apply any Sanction in accordance with Clause 24.1, suspend your authority to start new Matters and cases and your entitlement to receive payment from us.

Mystery shopping

- 9.11 At our cost, as part of our Assessment of your performance and compliance, our representatives may telephone, visit or otherwise contact you as if they were a Client and report the outcome to us. You must ensure that your personnel know that we may do this. If we do assess you in this way we will, except so far as it may conflict with any provision of this Contract, follow the Market Research Society Code of Conduct.
- 9.12 When we have evaluated it, we will provide you with the information we obtain from any Assessment under Clause 9.11.

Client satisfaction surveys

- 9.13 You must permit us to carry out surveys of Clients and must provide us with such information as we may require for such purpose.
- 9.14 If you request it, we will provide you with the information we obtain in any of the surveys of Clients (and Former Clients) for whom you have performed Contract Work.

Obtaining a Report

- 9.15 You authorise us to obtain a Report if at any time we have good reason to suspect serious professional misconduct, breaches of Legal Aid Legislation with which you are required to comply (if any) or dishonesty by:
- (a) you (whether or not you are under Official Investigation); or
 - (b) any of your personnel who have been, or may be, involved in Contract Work; or
 - (c) any of your partners, directors; shareholders or Members of LLPs; or
 - (d) any of your Controllers; or
 - (e) any third parties appointed by you in accordance with Clause 3.
- 9.16 You must use all reasonable endeavours to ensure that individuals referred to in Clauses 9.15 that may be required to give consent to enable such Reports to be given to us, do so.

10. **Standard of Contract Work**

Standard of Contract Work

- 10.1 You must at all times perform Contract Work in a timely manner and with all reasonable skill, care and diligence.
- 10.2 You must at all times hold the Quality Standard.

Your personnel

- 10.3 You must have in place processes to ensure that personnel that perform Contract Work are allocated work according to the role they are required to fulfil and on the basis of their skills, competence and capacity and any requirements set out in the Specification.
- 10.4 You must not permit or require any person to provide Contract Work or work in connection with Contract Work who:
- (a) refuses to consent to our obtaining status reports on them, including from any Relevant Professional Body;
 - (b) we notify you that we reasonably believe is unsuitable to perform such work and our reasons for this; or
 - (c) is excluded from performing such work by an order or direction of a court, tribunal, professional body or regulator with power to do so.
- 10.5 If we wish to obtain information about you or any of your personnel from any Relevant Professional Body and we require your consent, or the consent of any of your personnel, to do so, you must provide your consent and must use all reasonable endeavours to ensure that those of your personnel, whose consent is required, shall do so.

Independent Peer Review Process

- 10.6 You agree to the standard of your Contract Work being assessed by the Independent Peer Review Process and promptly to provide such information, Matter files and case files as may be required for that purpose. Both you and we agree to accept the validity of the Independent Peer Review Process and to be bound by the outcome of the Independent Peer Review Process. The Independent Peer Review Process and an explanation of the ratings (1-5) are available on our website and from your Contract Manager.
- 10.7 In each Category of Law, your Contract Work must receive a rating of either 1, 2 or 3 as determined by the Independent Peer Review Process. If you receive a rating of either 1, 2 or 3, we will not require you to reimburse us for the standard costs that are charged to us by those we instruct to carry out Peer Reviews.
- 10.8 If your Contract Work in any Category of Law receives a rating of either 4 or 5 as determined by the Independent Peer Review Process at the initial Peer Review, you may make representations in accordance with such process. If your original rating is upheld this is a material breach of Contract and, without limiting our rights to apply any Sanction in accordance with Clause 24.1, you will reimburse us for the standard costs that are charged to us by those we instruct to carry out that initial Peer Review.

- 10.9 If your Contract Work in any Category of Law receives a rating of either 4 or 5 as determined by the Independent Peer Review Process at the second Peer Review, you may make representations in accordance with such process. If your original rating of either 4 or 5 is upheld, this confirms the outcome of the Independent Peer Review Process and is a Fundamental Breach. In these circumstances, and without limiting our rights to apply any Sanction in accordance with Clause 24.1, you will reimburse us for the standard costs that are charged to us by those we instruct to carry out that second Peer Review.

11. **KPIs**

Compliance with the KPIs

- 11.1 You must meet each of the KPIs in accordance with the Specification.
- 11.2 The primary purpose of the KPIs is to assist in monitoring your performance under this Contract and identifying areas of concern.
- 11.3 If you fail to meet a KPI we will:
- (a) offer you the opportunity to discuss with us the reasons for your failure to meet such KPI;
 - (b) consider whether it is appropriate for us to agree an action plan to remedy such failure and/or ensure that such failure is not repeated. If we agree such an action plan you will thereafter comply with it; and
 - (c) other than in accordance with Clause 24.4 take into account the severity of the failure to meet the KPI, the number of previous failures to meet the KPI in question, any term of the Specification in relation to the relevant KPI and/or how many other KPIs you have previously failed to meet.
- 11.4 In relation to KPIs 6 and 7 if you fail to meet a KPI we will not apply a Sanction:
- (a) without our Contract Manager offering you the opportunity to discuss with us the reasons for your failure to meet such KPI;
 - (b) without considering whether, instead of imposing a Sanction, it is appropriate for us to agree an action plan to remedy such failure and/or ensure that such failure is not repeated. If we agree such an action plan you will thereafter comply with it; and
 - (c) other than in accordance with Clause 24.4, and in considering whether it is proportionate and/or reasonable for us to apply a Sanction in respect of such failure for the purposes of Clause 24.4 we will, without limitation, take into account the severity of the failure to meet the KPI in question, any term of the Specification in relation to the relevant KPI and/or how many other KPIs you have previously failed to meet.
- 11.5 We may use your performance against the KPIs as measures that may cause us to raise enquiries with you, conduct an Audit or further monitoring of your performance.
- 11.6 We may use your performance against the KPIs as entry or selection criteria for future contracts.

We may make such amendments without the agreement of the Consultative Bodies if any Consultative Body unreasonably withholds or delays their agreement.

Consultation

- 13.8 We may not amend the Contract pursuant to Clause 13.2, 13.4, 13.5 and 13.7 without prior consultation in accordance with Clauses 13.9 and 13.10.

Otherwise such consultation will last six weeks.

Complying with amendments

- 13.11 Except as set out in Clause 13.12, you must comply with any amendment made pursuant to this Clause 13 from such date as we may specify. - (a) the closure or relocation of any Office from which you deliver Contract Work or any change in the Office from which you propose to deliver Contract Work;

 - (c) a change to your Quality Standard.
- 13.15 Without limitation, it shall be reasonable for us to withhold our consent to an amendment requested by you pursuant to Clause 13.13 where we reasonably believe that:
- (a) had you submitted your application to be awarded this Contract or the right to undertake the relevant Contract Work on the basis of the proposed amendment:
 - (i) your application would not have complied with the requirements of the procurement process in response to which such application was submitted; or
 - (ii) it would have adversely affected our decision to award you this Contract or the relevant Contract Work; or
 - (b) such amendment would adversely affect the services and/or quality of services available to Clients or potential Clients; or

- (c) such amendment would constitute a new award of a contract for the purposes of the Public Contracts Regulations 2015.

Application of Clause 13 to other provisions of the Contract

unless and to the extent that the relevant provision of this Contract setting out such right or obligation expressly applies this Clause 13.

14. Your account with us, Claims, payments and Assessments

Your account with us

- 14.1 We will maintain an account ("your account") of payments we make to you and payments we receive from you (except payments to be credited to Clients' accounts with us) in respect of this Contract and all other contracts you have with us.

Submitting Claims

- 14.2 To be eligible for payment for Contract Work, you must submit a Claim for payment on the relevant Matter or case in accordance with the provisions of this Contract.
- 14.3 Without limiting your obligations in the Specification in respect of Claims your Claims must be true, accurate and reasonable. Any breach of this Clause 14.3 shall be a material breach.
- 14.4 In making a Claim, you must have regard to the content of the relevant Costs Assessment Manual.
- 14.5 You must submit each Claim to us within the time period specified in the Specification. Otherwise, it can be difficult for us to forecast expenditure. Persistent failure to submit Claims within the time periods specified may lead to the issue of Sanctions (including termination) under Clause 24 and/or termination under Clause 25.

Assessments

- 14.6 We are entitled to Assess all your Claims, except where this Contract or legislation provides that Assessment is to be by another body.
- 14.7 We may not amend the Costs Assessment Manual without prior consultation with the Consultative Bodies. Consultation will last no longer than 14 days. We will give at least 28 days' notice of any changes made under this Clause 14.7.

Payments

- 14.8 Subject to Clause 14.14 and the Specification, we will pay you either electronically or online (this includes BACS, Faster Payments, CHAPS and other relevant payment services) for the performance of Contract Work in accordance with this Contract. Subject to our right to Assess Claims, when we have paid a Claim that you submitted as a final Claim for a Matter or case, our payment is in full and final settlement of all monies due from us in respect of that Matter or case. All payments will be made as a Standard Monthly Payment unless you have notified us that you require variable payments in which case, payments will be made as a Variable Monthly Payment.
- 14.9 All payments and any other sums falling due under this Contract are exclusive of VAT (unless expressly stated otherwise). If VAT is properly chargeable on any Claim, we will pay VAT on that Claim in addition (unless the relevant amount has been expressly stated to include VAT). If you omit to claim a sum to cover VAT and seek to claim it from us later, we are not obliged to pay it, but will do so where an occasional clerical error has caused the VAT sum to be omitted from a Claim, subject to you notifying us of such omission within two years of the date

when such VAT should have been charged. If you fail to notify us within such period then the relevant amount shall be deemed to have been inclusive of VAT.

- 14.10 If we request it, you must promptly provide us with the details we specify about any VAT arising under this Contract.
- 14.11 Where you submit a Claim for payment in accordance with Clause 14 we will:
- (a) consider and verify the Claim in a timely manner; and
 - (b) make payment to you no later than a period of 30 days from the date on which we have determined the Claim is valid and undisputed.
- 14.12 Where a Claim is included with a Contract Report Form submitted pursuant to Paragraph 4.35 of the Specification the deadline for submission of that Contract Report Form shall be considered to be the date of submission of that Claim for the purposes of Clause 14.11 regardless of the actual date of submission (where this is different);
- 14.13 Without prejudice to our rights under Clause 14.6, if we fail to comply with our obligation under Clause 14.11(a) the Claim shall be regarded as valid and undisputed for the purposes of Clause 14.11(b) only. For the avoidance of doubt; this Clause does not affect our right to Assess any Claim following payment.

Set-off

- 14.14 We have the right to set-off against any amount payable by us to you under this Contract or otherwise, any amount payable by you to us, under this Contract (including under the Specification) or otherwise. For the avoidance of doubt, when this Contract ends, any obligation to make payment is subject to this right of set-off.

Overpayment or mispayment

- 14.15 We may issue a notice of Assessment or notice of a debt due to us in connection with Contract Work, which has the effect of making the amount specified in it payable to us, if:
- (a) we have made an "overpayment or mispayment" to you; or
 - (b) in respect of a Matter or case, you have breached this Contract and, as a result of the breach, we can demonstrate that we have incurred (or will incur) a financial loss; or
 - (c) where you undertake civil Contract Work, you have failed to submit a Claim, as required by this Contract, after having received a Payment on Account from us in respect of the relevant Matter or case.
- 14.16 An "overpayment or mispayment" under this Clause 14 includes:
- (a) any payment made in error;
 - (b) where payment has been made in respect of a Matter or case, the amount of any subsequent reduction on Assessment;

- (a) where payment has been made in respect of a Matter or case, any sum which we are not required to pay (or you are not entitled to be paid) for some or all of the work that you have carried out;
 - (b) any payment specified as such in the Specification.
- 14.17 If you become aware that any of the events set out in Clause 14.16 have occurred you should notify us within seven days of becoming so aware to enable us to adjust your account (or to require repayment) should we wish to do so and shall promptly make any repayment requested by us.
- 14.18 Where the "overpayment or mispayment" provisions of this Clause 14 apply because of a reduction of a Claim on Assessment then, unless we consider that there is a risk to public funds, we will not seek repayment until any appeal against the (initial) Assessment has concluded.
- 14.19 Any notice under Clause 14.15 will specify the amount of the overpayment or the financial loss (as the case may be) and how the relevant criterion in Clause 14.15 is met. You shall pay us any amount shown as payable by you to us in a notice issued under Clause 14.15 by no later than 14 days after the date of such notice.
- 14.20 Unless we consider that there is a risk to public funds and subject to you providing us on request with satisfactory documentary evidence supporting your request, we will consider allowing you to make any repayment of more than £5,000 required under this Clause 14 in a reasonable number of instalments or by making a reasonable adjustment to your Monthly Payments provided that repayment must be over the shortest reasonable period and must usually be completed within 12 months.

Audits

- 14.21 If an Audit identifies that you have made any Claim(s) in excess of your entitlement as specified in this Contract (including where your Claims result in the circumstances in Clause 14.15(a) arising) ("Excess Claims") we may by notice require you to reimburse us with the Reasonable Costs we incur in carrying out any further Audit we undertake to establish whether you have made any other Excess Claims, provided that:

22 Novations and Qualifying Events

Sole principals and partnerships - novations

- 22.1 Subject to Clause 22.3, if you are a partnership and you take any person into partnership (or any person ceases to be a partner of yours) this Contract is novated, on the date of that event, in favour of the partnership (or principal) as constituted on that date, on the terms set out in Clause 22.4. This Clause 22.1 constitutes your and our express consent to such novation. Any such novation is confirmed by any subsequent submission by you of a Contract Report Form and any subsequent payment by us under this Contract.
- 22.2 Subject to Clause 22.3, if a competent court or tribunal does not accept Clause 22.1 as novating this Contract, it will be novated pursuant to this Clause 22.2. The novation will be on the terms set out in Clause 22.4 and will be, and will take effect, in favour of the partnership (or principal) as constituted on the earliest of the following dates accepted by such competent court or tribunal:
- (a) the date we receive a subsequent Contract Report Form from you;
 - (b) the date we make a subsequent payment to you under this Contract; or
 - (c) the date of a properly completed, "constitutional statement form" received by us from you.

Constitutional changes in Clause 21.2(b), (c)(i), (d) or (e)

- 22.3 If any of the events specified in Clause 21.2(b), (c)(i), (d) or (e) has occurred, this Contract will not be novated under Clauses 22.1 or 22.2 and is incapable of being novated without our signed, express consent. These events are classed as Qualifying Events.

Sole principals and partnerships - terms of any novation

- 22.4 Any novation under Clauses 22.1 or 22.2 is on the following terms (with "old firm" meaning "you" immediately before the novation and "new firm" meaning "you" immediately after the novation):
- (a) the new firm, by virtue of the novation, undertakes to comply with this Contract in substitution for the old firm and undertakes to be bound by it in every way as if it had been an original party to it;
 - (b) any partners (or principal) of the old firm are released from liabilities arising under this Contract after the novation, except those arising in relation to the period when the old firm was a party to this Contract and, if they remain in the new firm as principal or a partner, except so far as they may arise as a principal or partner of the new firm;
 - (c) nothing in this Contract will affect or prejudice any claim or demand that we may have against the old firm or the old firm may have against us relating to matters arising before the novation;
 - (d) all payments due from us under this Contract after the novation will be paid to the new firm;
 - (e) the new firm is liable for any debt or obligation which arose under this Contract before the novation and the old firm remains liable for any debt

or obligation provided that we may not recover the same debt from both the old firm and the new firm;

- (f) without prejudice to the generality of Clauses 22.4(c) and 22.4(e), the new firm will be liable for all monies due to us (whether that liability will have accrued before or after the novation) under the account set up by us in respect of this Contract and, for the avoidance of doubt, the new firm, by virtue of the novation, acknowledges that:
 - (i) your account will be treated and run as a single running account as if the old firm and the new firm had been a single firm; and
 - (ii) we may exercise any right to set off against the new firm under the provisions of Clause 14.14 in respect of any sums due under Clause 22.4(e) or this Clause 22.4(f);
- (g) in applying any provision of this Contract after the novation, any acts and omissions of the old firm will, for all purposes, be deemed to be acts or omissions of the new firm;
- (h) any notice, direction, Assessment, decision, Audit, status or finding relating to the old firm has effect, after the novation, as if it had been in relation to the new firm;
- (i) any right or power (whether of termination or otherwise) under this Contract which was exercisable by us against the old firm by reference to any matter arising before the novation will be exercisable against the new firm after the novation; and
- (j) where, by virtue of any provision of this Clause 22, the old firm and the new firm are liable in respect of the same debt or obligation, the members of the old firm and the members of the new firm are jointly and severally liable for that debt or obligation.

22.5 Notwithstanding the novation of this Contract pursuant to Clause 22.1 or 22.2, we may at any time require the partners for the time being comprising the partnership (or the principal) to enter into a formal novation agreement with us on such terms as we may reasonably require.

22.6 If any of the events specified in Clause 21.2, (b), (c)(i), (d) or (e) has occurred, we may agree to enter into a signed, express novation agreement with the new organisation on such terms as we may reasonably specify and within such period as we may specify. For the avoidance of doubt:

- (a) we have no obligation to enter into such a novation agreement; and
- (b) if no novation agreement is in force within such period as we have specified, this Contract will have ended on the date of the constitutional change.

22.7 We will not agree to enter into a novation agreement under Clause 22.6 if we have issued a notice terminating this Contract (whether or not the notice has yet come into effect) or if we consider that either we, Clients, public funds, or the market for legal services would be adversely affected, or if the efficacy of this Contract, any of its provisions or its purpose would be compromised.

22.8 We will not agree to enter into a novation agreement where we have conducted an assessment under Clause 22.12 and you fail the Rejection Criteria.

- 22.9 We will not agree to enter into a novation agreement where you have not provided indemnities and guarantees pursuant to Clause 4.
- 22.10 For the avoidance of doubt, save to the extent permitted under this Clause 22 and subject to Clause 3, you are not entitled to assign, transfer, mortgage, charge, declare a trust over or deal in any other manner with your rights and obligations under this Contract.

Qualifying Events

- 22.11 Where a Qualifying Event occurs we will require you to submit up to date responses to the Rejection Criteria taking account of the changes. You must provide a revised response within 14 days of our request. Any failure to respond shall be a Fundamental Breach.
- 22.12 We shall assess your response to the Rejection Criteria and where we determine you fail the Rejection Criteria we may terminate your Contract under the provisions in Clause 25.

23 Bribery, collusion, false tenders, fraud and unethical behaviour

No bribery or collusion

- 23.1 You and your personnel (including any third parties you appoint in accordance with Clause 3) must do the following:
- (a) comply with Bribery Legislation;
 - (b) not commit a Prohibited Act;
 - (c) not try to bribe any of our personnel, or any person who may perform services for, or who is associated (in any way) with, us.
- 23.2 When tendering, or applying for, a contract with us, or for authority to perform Contract Work or other work, (or for the purpose of, or with the intention of, doing so) you must not collude with any other person or (for the avoidance of doubt) attempt to bribe them.
- 23.3 You must not attempt to bribe or bribe any prospective Client or Client or any person who is associated (in any way) with such prospective Client or Client.
- 23.4 You must report to us any suspicion of any breach or alleged breach of any Bribery Legislation relating to this Contract, and co-operate with us and/or any regulator and/or prosecutor in any investigation relating to the same. Any material breach by you of this Clause 23.4 will be deemed to be a Fundamental Breach.
- 23.5 You must take all reasonable steps, in accordance with Bribery Legislation, to prevent you or your personnel (including any third parties you appoint in accordance with Clause 3) from committing a Prohibited Act (including without limitation, complying with and enforcing any anti-bribery policies and procedures you have in place as appropriate).

No false tenders

- 23.6 When tendering, or applying for, a contract with us, or for authority to perform Contract Work, you must not bid any price that is unrealistically low. A price is unrealistically low if you intend to secure the contract or authority or allocation by virtue (in whole or in part) of the low price and intend, or hope, to recover some or all of the unrealistic element of it by a subsequent renegotiation of the price.

Fraud and unethical behaviour

- 23.7 You must be alive to the possibility of fraud and unethical behaviour by your personnel and by any third parties you appoint in accordance with Clause 3, must not tolerate it, and must have procedures to identify, address and counter it.

Breach of these Clauses

- 23.8 Any breach of Clauses 23.1, 23.2, 23.3 and 23.6 by you or by anyone employed, or otherwise appointed by you pursuant to Clause 3 (whether with or without your knowledge) is a Fundamental Breach.

- (a) if you have materially breached this Contract or any other agreement between you and us from time to time;

 - (ii) 6 breaches of this Contract within any 24 month period,

and we shall not be required to provide you with written notice of each breach.

- (c) if we are entitled to suspend or terminate this Contract or any other agreement between you and us from time to time; or

24.2 If you fail to comply with any of your obligations under this Contract we may, without limiting our rights in respect of such failure (including under this Clause 24 and Clause 25), notify you of such failure and set out in such notice the action that we require you to take to ensure that such failure is remedied and/or not repeated provided that such action shall be proportionate to the relevant failure. You will comply with the requirements of any notice we issue pursuant to this Clause 24.2. If you fail to comply with the requirements of any such notice, such failure shall be deemed to be a breach of a term for the purpose of Clauses 24.1(b)(i) and 24.1(b)(ii).

24.3 In addition:

- (a) we may apply any one or more of Sanctions 3, 4 and/or 7 if you are under Official Investigation;
- (b) we may apply Sanctions 3 and/or 4 if your financial situation is such that we reasonably consider there is a significant risk to Clients or to public funds;
- (c) we may apply Sanctions 5 and/or 7 if any individual who is engaged in Contract Work on your behalf and who is required to have a valid practising certificate under any Relevant Professional Body rules, ceases to have one;
- (d) we may apply Sanction 5 in the circumstances set out in Clause 24.9; and
- (e) we may apply Sanction 6 in the circumstances set out in Clause 24.12.

24.4 The application of any Sanction is without prejudice to any other rights that we may have, but we will only apply a Sanction to the extent that it is proportionate to the circumstances, having regard to any wider concern that we may have as to your capability as a result of the number and/or range of those breaches.

- 25.4 For the avoidance of doubt and without limiting this Clause 25, our right to terminate this Contract in respect of your material or persistent breach is set out in Clause 24. In addition, we may serve a notice on you terminating this Contract on the date specified in the notice in any of the following circumstances:

 - (i) without prejudice to Clause 25.6, the warranty given by you pursuant to Clause 18.1(g) is materially untrue;

- (j) you commit a material breach of your obligation to notify us of any Occasion of Tax Non-Compliance as required by Clause 14.2(a);
- (k) you fail to provide details of steps being taken and mitigating factors pursuant to Clause 14.23(b) which in our reasonable opinion are acceptable;

Termination or suspension of part of this Contract by us

25.8 Whenever we are entitled to terminate this Contract (including pursuant to Clause 24.14) we may terminate any part of it or suspend it or any part of it including without limitation, specified powers, rights and authorities to perform Contract Work or other work or services under it/them (including your right to perform Contract Work in a specified Category of Law or a specified Class of Work), provided that we may not terminate the Contract or such other agreement in part to the extent that that part of the Contract or agreement remaining after such termination would constitute a new award of a contract for the purposes of the Public Contracts Regulations 2015. For the avoidance of

doubt, this does not prevent us terminating all of the Contract Work or work or services covered by the relevant invitation to tender. We will set out the effects of any suspension (which will be less serious than termination) in the notice to you.

26. Consequences of termination

Clients and Contract Work files

26.1 When you become aware that your right to perform any Contract Work will end, you must immediately notify all Clients who will be affected by termination, take all reasonable steps to protect them and their rights, and provide them with information about other Providers able to continue their Matter or case (and offer to make appointments with them) and with such other information as we may specify.

- (b) you must confirm to us that the Remainder Work is not likely to continue for longer than two years from the date this Contract would have terminated, but for Clauses 26.10 to 26.12.

- 26.12 If we authorise you to perform Remainder Work the terms of this Contract will, in respect of such Remainder Work, continue in full force and effect (subject to the terms of any replacement contract that we enter into with you).

- 26.14 Notwithstanding Clause 26.13, if we reasonably believe that TUPE does apply on the expiry or termination of this Contract or part of it, at any point within the period of 6 months immediately preceding such expiry or termination or following the service of a notice under Clause 24.14 or 25 you must on receiving a request from us or any Replacement Provider, supply us and any Replacement Provider with a list which contains, in respect of any person engaged or employed by you in the provision of Contract Work (the "TUPE Employees"), full and accurate details regarding the identity, number, age, sex, length of service, job title, grade and terms and conditions of employment (including those derived

from collective agreements) of and other matters affecting each of those TUPE Employees. You must:

 - (f) enable and assist us or any Replacement Provider (in advance of the date of the TUPE transfer) to communicate with and meet the TUPE Employees and their trade union or other employee representatives for the purpose of carrying out consultation either as required under TUPE and/or the Trade Union and Labour Relations (Consolidation) Act 1992.
- 26.15 Without prejudice to Clause 26.14, you must procure and must provide Employee Liability Information to us or any Replacement Provider at our or the Replacement Provider's reasonable request and must warrant at the time of providing such Employee Liability Information, that such information is accurate and that it will be updated to take account of any changes to such information as is required by TUPE.
- 26.16 You will indemnify and will keep any Replacement Provider indemnified in full in relation to any and all Direct Losses arising from any claim by any party as a result of you failing to provide or promptly to provide us or the Replacement Provider where reasonably requested with any information described in Clause 26.14 and/or Employee Liability Information or to provide full information described in Clause 26.14 and/or Employee Liability Information or as a result of any material inaccuracy in or omission from such information and/or Employee Liability Information.
- 26.17 You will indemnify and keep indemnified any Replacement Provider in full in relation to any and all Direct Losses caused to the Replacement Provider as a result of increased costs of employing the TUPE Employees arising as a result of any breach by you of Clause 26.14.
- 26.18 You will be liable for any claims made by or in respect of any of the TUPE Employees relating to or arising during the employment of the Employee or TUPE Employees concerned up to the date of expiry or termination (where applicable) of this Contract including, any claims for breach of contract, dismissal, unlawful deduction of wages, a protective award, redundancy payment, discrimination or relating to any personal injury and you will indemnify and will keep any Replacement Provider indemnified in full in relation to any and all Direct Losses arising from any such claim.

- 26.19 Where any liability in relation to any TUPE Employees referred to in Clause 26.18 arises partly as a result of any act or omission occurring on or before the expiry or termination (where applicable) of this Contract and partly as a result of any act or omission occurring after such expiry or termination of this Contract, your indemnity to the Replacement Provider in Clause 26.18 will relate only to such part of the Direct Losses sustained by the Replacement Provider in consequence of the liability as is reasonably attributable to any act or omission occurring before the relevant date of expiry or termination of this Contract.
- 26.20 A Replacement Provider is a beneficiary under and will be entitled to enforce Clauses 26.16 to 26.19 pursuant to the Contracts (Rights of Third Parties) Act 1999. In addition you will, on request, enter into an indemnity on the terms set out in Clauses 26.16 to 26.19 directly with a Replacement Provider.

27. **Reconsidering decisions and the review procedure**

Informal reconsideration

- 27.1 If you disagree with any action we have taken or not taken, or a decision we have made, under this Contract you must, through your Contract Liaison Manager, provide details of the matter in writing to our Contract Manager to request an informal reconsideration of the action, inaction or decision. Any such request must be made within 21 days of the action or inaction or the date we notify you of the decision.
- 27.2 If you disagree with any decision we make following our informal reconsideration pursuant to Clause 27.1, or if we have not reconsidered the matter and advised you of the outcome within 28 days of your request under Clause 27.1:
- (a) if you wish to pursue the dispute and are permitted to do so under Clause 27.4, you must, subject to the remainder of this Clause 27.2, request a formal review; or
 - (b) if you cannot request a formal review under Clause 27.4, Clause 28 will apply, provided that the matter is not one contemplated under Clause 27.5 or 27.7.

Formal review procedure

- 27.3 The formal review procedure is to enable you to require us to carry out a formal reconsideration of matters within the scope of Clause 27.4.

Invoking the formal review procedure

- 27.4 The formal review procedure only applies where:
- (a) we have issued a notice under Clauses 14.21, 24.1 to 24.12, 24.14, or, only if we expressly agree, under Clause 24.13; or
 - (b) we have issued a notice under Clauses 25.4 or 25.8; or
 - (c) you disagree with our decision either (i) following the expiry of a Schedule not to issue a further Schedule, or (ii) on the duration of a Schedule; or
 - (d) you disagree with the Monthly Payment or authorisation of work under a Schedule; or
 - (e) subject to Clauses 27.5 to 27.7 and the remainder of this Clause 27.4(e), you consider that we have breached this Contract (in which case, you must specify which provision of this Contract you consider that we have breached and set out the reasons why you consider that we have breached it). You may only request a review of the issue to you of a notice of breach of contract if and when we subsequently terminate or suspend this Contract (or apply another Sanction) pursuant to the notice.

Disputes outside the formal review procedure

- 27.5 The following are wholly outside the formal review procedure set out in this Clause 27 and the provisions of Clause 28. Should any dispute arise in relation to these matters, the review procedure referred to in the Specification must be followed:

- (a) decisions on individual Client Matters or cases;
 - (b) decisions on Assessments and/or any claim or dispute which relates to the recovery by you or us of payments due to you or us under this Contract.
- 27.6 The following are wholly outside the formal review procedure set out in this Clause 27 but are subject to the provisions of Clause 28:
- (a) where we have suspended the effect of a decision or notice, any subsequent decision by us to remove all, or part, of the suspension (and to give effect to all, or part, of the decision or notice); and
 - (b) a claim by you that we are in breach of Clause 2.3 or 2.4, if that claim is based on or relates to any decision within Clauses 27.5 or 27.6(a).
- 27.7 Any action, inaction and decisions made in relation to Contract Work by independent committees and other independent third parties exercising functions in connection with Contract Work including the Independent Funding Adjudicators, Independent Costs Assessors and Independent Peer Review Process are not made by us and are as a result, not subject to Clauses 27 and 28.
- 27.8 If you do not pursue your rights under and in accordance with Clauses 27 and 28 within the periods of time specified (or such longer periods of time as we may agree) you are thereby deemed to accept the position and lose your right to dispute it.

Commencing the formal review procedure

- 27.9 To invoke the formal review procedure, you must write to the Chief Executive at Legal Aid Agency, 102 Petty France, London, SW1H 9AJ (or such other address as we may notify to you).
- 27.10 All requests for review must be endorsed "Request for Formal Review" and must set out a full and detailed description of the matter and the reasons for your challenge and must be accompanied by all documents upon which you intend to rely.
- 27.11 All requests for review must be made:
- (a) within 14 days of the date of our decision on the informal reconsideration under Clause 27.1; or
 - (b) if we have not advised you of the outcome of our informal reconsideration within 28 days of the date of your request, within 14 days of the expiry of that 28 day period.
- If you, acting reasonably, regard the matter as urgent, you must state this in your request for review.
- 27.12 The Chief Executive will review your request, decide whether any additional information or documentation is required and seek to obtain that documentation (whether from you or from us). Thereafter he or she will determine whether to conduct the review himself or herself or refer it to the Contract Review Body ("CRB"), save that any request relating to a decision to require reimbursement of Reasonable Costs in respect of a further Audit under Clause 14.21 or to terminate this Contract must be referred to the CRB. Subject to the foregoing,

the decision of the Chief Executive in respect of whether a matter should be referred to the CRB will be final.

- 27.13 If the Chief Executive conducts a review, he or she will determine the procedure and will decide whether to invite, or require, any further information before making a determination.

The Contract Review Body

- 27.14 The CRB comprises:

- (a) two members nominated by us (one of which must act as the chair of the CRB); and
- (b) a member nominated by the Consultative Bodies on our request (unless we have requested them to nominate a member within a specified period but either (i) within that period no nomination has been made or (ii) the nominee is unable to attend).

At our option, the CRB may also include a member from another Provider.

- 27.15 If the formal review is to be referred to the CRB, then the secretary to the CRB will prepare a report and bundle for the CRB. This will be sent to you not less than 14 days before the CRB hearing.

- 27.16 You may respond to this report but your written response (including any skeleton argument if you are to be represented by counsel) must be received by us not less than seven days before the CRB hearing.

- 27.17 If your application relates to a decision to terminate this Contract, then you have a right to attend or be represented at the CRB hearing. If your application relates to any other matter, then you must apply to the Chief Executive in writing not less than seven days before the CRB hearing, for permission to attend or be represented at the CRB hearing. The decision of the Chief Executive is final on this issue.

- 27.18 If you attend or are represented at the CRB hearing, then we also have a right to attend or be represented. Oral representations will, except in exceptional circumstances, be limited to 30 minutes for each party.

- 27.19 Save as provided above, the CRB determines its own procedure. Where the members of the CRB are unable to agree on any matter, each member has one vote. In the event of an equality of votes, the chair of the CRB has the casting vote.

Determining the formal review

- 27.20 The Chief Executive or the CRB (as appropriate) will determine the formal review within a reasonable period after the request for review has been received, unless you have notified us, in accordance with Clause 27.11, that you, acting reasonably, regard the matter as urgent in which case we must use reasonable endeavours to determine the matter within 28 days of receiving your request.

- 27.21 Where there is no determination by the Chief Executive or the CRB (as appropriate) within 28 days of the date of receipt of a request from you which states that the matter is urgent in accordance with Clause 27.11, and you have complied with your obligations under Clauses 27.9 to 27.11, you may deem this

formal review procedure as having expired and your rights under it as exhausted. In respect of all other requests for review however, you must await a response from the Chief Executive or the CRB (as appropriate) before considering the formal review procedure as having expired and your rights under it as exhausted for the purposes of Clause 28.

- 27.22 The Chief Executive or the CRB's determination (as appropriate) may allow the formal review, dismiss the formal review, make a different decision, give directions to your Contract Manager or recommend that a fresh decision is made within a specified period. For the avoidance of doubt the Chief Executive and the CRB's determinations are our decisions.
- 27.23 In accordance with the timings above, the Chief Executive or the CRB (as appropriate) will send you and your Contract Manager written reasons for their determination.

28. **Dispute resolution**

28.1 This Clause 28 only applies if there is a "Formal Dispute". A Formal Dispute occurs where:

- (a) you have exhausted your rights to a formal review in accordance with and as set out at Clause 27; or
- (b) your claim or dispute does not relate to a matter set out in Clause 27.4, 27.5 or 27.7 and you have requested an informal reconsideration in accordance with Clause 27.1 and you:
 - (i) disagree with the outcome; or
 - (ii) have not been advised of the outcome within the 28 day period set out at Clause 27.2.

Any Formal Dispute will be dealt with in accordance with this Clause 28.

Mediation

28.2 Either of us may request that a Formal Dispute be referred to mediation by giving notice in writing (a 'mediation notice') to the other requesting mediation. Any notice of mediation to be given to us must be sent to the Chief Executive at Legal Aid Agency, 102 Petty France, London, SW1H 9AJ (or such other address as we may notify to you). The notice must be given within the following period:

- (a) where the matter falls within Clause 27.4, within 14 days of your rights to a formal review being deemed exhausted under Clause 27.21; or
- (b) where the matter does not fall within Clause 27.4:
 - (i) within 14 days of the date of our informal reconsideration; or
 - (ii) where you have not been advised of the outcome of your request for informal reconsideration within the 28 day period set out at Clause 27.2, within 14 days of the expiry of such 28 day period.

28.3 The party receiving the mediation notice must respond in writing within 14 days of the date of the mediation notice.

28.4 Unless otherwise agreed between you and us, any mediation will be conducted in accordance with the CEDR Model Mediation Procedure, and the mediator will be nominated by CEDR.

28.5 If the party receiving the mediation notice agrees to mediation, the party who requested the mediation shall notify CEDR and take the necessary steps to arrange the mediation (or to ask CEDR to assist to secure the involvement of the other party).

28.6 Any mediation will take place not later than 28 days after the date the parties agree to mediation.

Disputes subject to court proceedings

- 28.7 You or we may refer a Formal Dispute to be decided by the courts of England and Wales in accordance with Clause 29 by issuing and serving on the other a claim form and particulars of claim within the following periods:
- (a) if you and/or we do not agree to mediation:
 - (i) where the matter falls within Clause 27.4, within one year of your rights to a formal review being deemed exhausted under Clause 27.21; or
 - (ii) where the matter does not fall within Clause 27.4, (1) within one year of the date of our informal reconsideration, provided that you have been advised of the outcome of our informal reconsideration within the 28 day period set out at Clause 27.2; or (2) where you have not been advised of the outcome of your request for informal reconsideration within the 28 day period set out at Clause 27.2, within one year of the expiry of such 28 day period; and
 - (b) if you and we agree to mediation but no settlement is reached, within one year from the date of the mediation notice, or such longer period as you and we may agree.
- 28.8 We each agree that a failure by one of us to issue and serve a claim form and particulars of claim within the period specified by Clause 28.7 means that that party will be deemed to have waived its rights to bring any legal proceedings and/or to pursue a remedy in respect of that dispute.
- 28.9 We each agree that any proceedings will be issued out of the Central London County Court or the Royal Courts of Justice (each a "Relevant Court"), as applicable, and thereafter you and we agree not to apply to transfer the proceedings to any other court that is not a Relevant Court. In the event that proceedings are issued out of any court that is not a Relevant Court, the issuing party must immediately apply, at its own cost, for the proceedings to be transferred to a Relevant Court and you and we agree to consent to the transfer of proceedings to a Relevant Court.

Address for service

- 28.10 Any documents to be served on us should be marked for the attention of the Chief Executive and served by one of the following methods:
- (a) delivered personally to the postal address specified in Clause 28.11; or
 - (b) sent by fax to the fax number specified in Clause 28.11; or
 - (c) sent by DX to the address specified in Clause 28.11; or
 - (d) sent by pre-paid first-class post, recorded delivery or registered post in each case to the address specified in Clause 28.11.
- 28.11 The addresses and contact details referred to in Clause 28.10 are: The Chief Executive, Legal Aid Agency, 102 Petty France, London, SW1H 9AJ (or such other address as we may notify to you), DX: 152380 Westminster 8 and Fax: 0203 545 8686.

29. **Governing law and jurisdiction**

- 29.1 The formation, existence, construction, performance, validity and all aspects whatsoever of this Contract and any non contractual obligations arising out of or in connection with it, are governed by the law of England.
- 29.2 Subject to Clauses 27 and 28, the courts of England and Wales will have exclusive jurisdiction to settle any disputes which may arise out of or in connection with this Contract. The parties irrevocably agree to submit to that jurisdiction.

30. **General**

Entire agreement

- 30.1 This Contract (together with the appropriate sections of any documents that are referred to in it (as they may be amended where applicable)) represents the entire agreement and understanding between the parties in connection with its subject matter. This Contract supersedes any previous agreement between the parties relating to its subject matter. It supersedes all prior negotiations, representations and undertakings, whether written or oral. Nothing in this Clause 30.1 excludes any liability for fraud or fraudulent misrepresentation.
- 30.2 You acknowledge that this Contract has not been entered into wholly or partly in reliance on, nor have you been given any warranty, statement, promise or representation made by, or on, our behalf (other than as expressly set out in this Contract). To the extent that any such warranties, statements, promises or representations have been given you unconditionally and irrevocably waive any claims, rights or remedies which you might otherwise have had in relation to them.

If we waive, delay or omit to exercise rights

- 30.3 No failure by us to exercise any power (or to insist upon strict compliance by you with any obligation or condition) shall constitute a waiver of any of our rights under this Contract.
- 30.4 No waiver by us of any particular default by you shall affect or impair our rights in respect of any other default (of any kind) by you.
- 30.5 No delay or omission by us to exercise any rights arising from any particular default by you shall affect or impair our rights in respect of such default or any other default (of any kind) by you.

If you or we are prevented from complying with this Contract

- 30.6 Neither of the parties to this Contract is responsible to the other for any delay in performance, or for any non-performance, of its obligations and duties under this Contract due to any cause beyond its reasonable control. Causes beyond reasonable control are confined to:
- (a) severe physical damage caused by storm, fire or flood; and
 - (b) criminal acts; and
 - (c) epidemic,
- except any fire, flood or criminal act caused or committed by any member of the affected party's personnel. For the avoidance of doubt, nothing in this Clause shall relieve you from implementing and complying with the Business Continuity Plan.
- 30.7 If any cause within Clause 30.6 occurs the affected party must immediately:
- (a) inform the other party in writing of such cause and of what obligation or duty it has delayed or prevented being performed; and

- (b) take all action within its power to comply with the terms of this Contract as fully and promptly as possible,

and, unless the affected party takes such steps, this Clause must not have the effect of absolving it from its obligations under this Contract.

- 30.8 If the circumstances described in Clause 30.7 arise, but do not appear to be of a temporary nature, either party may give the other notice of termination of this Contract within such period as is reasonable in the circumstances (which shall be no shorter than one month).
- 30.9 Any notice under Clause 30.8 shall not take effect if the party that was prevented from complying with this Contract (or complying with it in a timely manner) is able, to the other party's satisfaction, to comply with its obligations and duties under this Contract within the period of notice specified in accordance with Clause 30.8.

If any part of this Contract is held to be invalid

- 30.10 Subject to Clauses 30.11 and 30.12, if any term of this Contract is held by any competent authority to be invalid, illegal or unenforceable in whole or in part, or if the inclusion of any term is held by any such authority to be in breach of those rules relating to the procurement of contracts by the public sector, the other terms of this Contract and the remainder of the affected term so far as practicable shall continue to be valid and enforceable.
- 30.11 If, in our reasonable opinion, the effect of a decision of a court, tribunal or other competent authority (i) adversely affects the efficacy of this Contract or (ii) is that a term of this Contract (or the same or very similar term in another of our contracts) is invalid, illegal or unenforceable in whole or in part with the effect that the purpose of this Contract is undermined or our position is materially prejudiced, we are entitled:
 - (a) with the agreement of the Consultative Bodies, or without it if it is unreasonably withheld, (i) to amend this Contract so as to restore its efficacy and (ii) to substitute for such term (or part of a term) such further term (or part of a term) the meaning of which has been advised by leading counsel instructed by us (and the Consultative Bodies if they agree to joint instruction) to be as close as permissible to that of the invalid, illegal or unenforceable term (or part of a term); or
 - (b) to give you notice terminating this Contract, or terminating specified powers, rights and authorities to perform Contract Work under it (including your right to perform Contract Work as specified in a Schedule) on the expiry of reasonable notice which shall not be less than three months.
- 30.12 If, in your reasonable opinion, the effect of Clause 30.11 (following a decision of a competent authority) is such that your position is prejudiced, you may:
 - (a) ask us to agree a suitable amendment to this Contract; or
 - (b) give us notice terminating this Contract either immediately or on the expiry of such other period of notice as you may specify.

Providing information under the National Audit Act 1983

30.13 For the purpose of examination of our accounts, or any examination under section 6(1) of the National Audit Act 1983 as to the economy, efficiency and effectiveness with which we have used our resources, the Comptroller and Auditor General may examine such information as he or she may reasonably require which are owned, held or otherwise within your control and may require you to provide such information and oral or written explanations as he or she may reasonably require for those purposes. You must promptly give all reasonable assistance to the Comptroller and Auditor General for those purposes.

Providing information under legislation

30.14 Without limiting the provisions of Clauses 15, 16 and 17, we may be required by other legislation to provide information that you hold. If we ask you to give us such information, you must do so without delay.

Your obligation to check Certificates and authorities issued by us in connection with Contract Work

30.15 Where applicable it is your responsibility to check any Certificates and authorities that are issued to you in connection with Contract Work. If after checking a Certificate or authority you have any concerns, you may raise them with the issuing body. No matter what sum is assessed by a court as costs incurred under a Certificate, we have no obligation to pay you for any work that is outside the scope of a Certificate, or which is in excess of that covered by a limitation or condition on a Certificate, and if any such payment is made to you an equal sum is repayable by you to us.
