India-UK

# FutureTech Festival

**GREAT** for **COLLABORATION**  
BRITAIN & NORTHERN IRELAND

## Why?

- Demonstrating real progress for India-UK Tech Partnership (tech hub, cluster partnerships and healthcare AI), 8 months from Prime Minister Modi in the UK
- Linking the key pillars of the UK's post-Brexit industrial strategy and India's trajectory
- Joint thought-leadership on data/ AI governance, cyber, privacy, future mobility, fintech and State-regional links
- Increased trade, investment and tech transfer
- Demonstrating the scale of UK-India tech capital, through the launch of a range of joint tech funds
- Inspiring and engaging the decision makers of the near and immediate future
