September 2018
Introduction

Innovate UK is part of UK Research and Innovation. This publication scheme concerns information held by Innovate UK and should be read in conjunction with UK Research and Innovation’s publication scheme.

This publication scheme commits Innovate UK to make information available to the public as part of its normal business activities. The information covered is included in the classes of information mentioned below, where this information is held by Innovate UK.

The scheme commits Innovate UK:

- to proactively publish or otherwise make available as a matter of routine, information, including environmental information, which is held by Innovate UK and falls within the classifications outlined
- to specify the information that is held by Innovate UK and falls within the classifications outlined
- to proactively publish or otherwise make available as a matter of routine, information in line with the statements contained within this scheme
- to produce and publish the methods by which the specific information is made routinely available so that it can be easily identified and accessed by members of the public
- to review and update on a regular basis the information Innovate UK makes available under this scheme
- to produce a schedule of any fees charged for access to information that is made proactively available
- to make this publication scheme available to the public

Classes of information generally not included

- information for which the disclosure is prevented by law, or exempt under the Freedom of Information Act 2005, or is otherwise properly considered to be protected from disclosure
- information in draft form
- information that is no longer readily available as it is contained in files that have been placed in archive storage, or is difficult to access for similar reasons
- information on unsuccessful applicants. Innovate UK keeps this information confidential and is unable to supply any details or copies of applications

Methods by which information will be made available

Innovate UK will indicate clearly to the public what information is covered by this scheme and how it can be obtained.

Where it is within the capability of Innovate UK, information will be provided on our website. Where it is impracticable to make information available on our website or when an individual does not wish to access the information by the website, Innovate UK will indicate how information can be obtained by other means and provide it by those means.

In exceptional circumstances some information may be available only by viewing in person. Where this manner is specified, contact details will be provided. An appointment to view the information will be arranged within a reasonable timescale.
Information will be provided in the language in which it is held or in such other language that is legally required.

Obligations under disability and discrimination legislation and any other legislation to provide information in other forms and formats will be adhered to when providing information in accordance with this scheme.

**Charges that may be made for information published under this scheme**

The purpose of this scheme is to make the maximum amount of information readily available at minimum inconvenience and cost to the public. Charges made by Innovate UK for routinely published material will be justified, transparent and kept to a minimum.

Material that is published and accessed on our website will be provided free of charge.

Charges may be made for information subject to a charging regime specified by Parliament.

Charges may be made for actual disbursements incurred such as:

- photocopying
- postage and packaging
- the costs directly incurred as a result of viewing information

If a charge is to be made, confirmation of the payment due will be given before the information is provided. Payment may be requested prior to providing the information.

**Written requests for information**

Information held by Innovate UK that is not published under this scheme can be requested. This must be requested in writing when its provision will be considered in accordance with the Freedom of Information Act.
