

Form AN

Application for naturalisation as a British citizen

The Home Office will use the personal information you provide to consider your application. We may also share your information with other public and private sector organisations in the UK and overseas. For more detail please see the Privacy Notice for the Border, Immigration and Citizenship system at www.gov.uk/government/publications/personal-information-use-in-borders-immigration-and-citizenship. This also sets out your rights under the Data Protection Act 2018 and explains how you can access your personal information and complain if you have concerns about how we are using it.

Application for naturalisation as a British citizen

Before completing this form, you should read the Guide AN as well as the Booklet AN. Fill in those parts of the form that apply to your application. If there is not enough space for your answer, use page 22 to provide additional information.

If you want help to complete your application form, you may wish to contact a competent adviser, for example, a solicitor or agent registered with the Office of the Immigration Services Commissioner (see page 6 of the Guide AN which accompanies this form for details). Or you may wish to use the Nationality Checking Service operated by a number of local authorities. Your Register Office will advise if one is operated in your area.

We recommend that you keep a completed copy of this application.

Ensure that you read the Guide AN and the Booklet AN. You should ensure that you understand the criteria for naturalisation before submitting your application. Full fees cannot be returned for applications that fail.

Write in block capitals using black ink. Please enter all dates as dd-mm-yyyy, for example 21/09/2017.

Each individual applying for naturalisation must complete a separate application form. Therefore husbands, wives and civil partners wishing to naturalise, must complete separate forms. Family applications should include separate forms for each child, either an AN Form where the child is now an adult or an MN1 Form for a minor. **We do not need applications for adults or minors who are already British.**

Before making your application, you may wish to check whether you are eligible to apply under the Windrush Scheme. If you are covered by the scheme you should not apply for British citizenship on this form. For more information, and to access the Windrush Scheme application form, see www.gov.uk/government/publications/undocumented-commonwealth-citizens-resident-in-the-uk

If you are acting as responsible adult for someone who is not of sound mind and unable to make and understand their own application (see page 11 of the Booklet AN), you must take full responsibility for the accuracy of the information provided and sign the declaration on behalf of the applicant. This includes liability in law.

Personal Information Give any reference numbers used in your immigration applications: 1.2 Current passport/travel document number: 1.3 Date you were given indefinite leave to enter/remain in the UK (not necessary if you are a Commonwealth citizen with right of abode in the United Kingdom). A British passport will not be issued in a different name from the one in a person's foreign passport or travel document. If you do not have a passport, state the name used on your official documents (Home Office travel document, national identity card, biometric residence permit). If the name stated above is not the name you use for all purposes, state: The surname/family name that you use: Other names used: The reason why this is different from the name on your passport or other official documents: I am aware that the name used on my Naturalisation certificate is different to the name in my foreign passport.
