

Sending a copy to the Council

Please ensure you send a copy of the appeal form and supporting documents to the local planning authority, this can be done by post or e-mail.

You **must** send a copy of your appeal and all the supporting documents to the local planning authority. You can either send it by e-mail or by post.

Some councils will accept an e-mail copy of an appeal made online. The list of such authorities and the e-mail address you should use are given at the bottom of this page.

Finding your council on the list below

You can find your local authority quickly using **Ctrl+F**, then enter the name of the council - such as Wigan, then click on 'Find next'.
