Defence Awarding Organisation (DAO)

What DAO offer
This booklet is updated quarterly, for a full list of qualifications we offer, please refer to DAO website:

www.gov.uk/government/groups/defence-awarding-organisation
Introduction

Who we are

The DAO was set up in 2014 as a Defence asset providing accreditation opportunities across the MOD and are based within the Defence Academy of the United Kingdom, Shrivenham.

What we do

The Defence Awarding Organisation (DAO) is Ofqual approved and offers a cost effective alternative to the mainstream commercial awarding organisations.

To award work-based qualifications to Armed Forces Personnel (Regular and Reserve), MOD Civil Servants and promote the Defence Brand through the exploitation of accreditation opportunities across the Defence Industry.

Why choose the DAO?

For many years Defence has relied on commercial awarding bodies to accredit its training. DAO offers a supportive professional service. Its not about accreditation for accreditation sake. We want you to experience satisfaction in our accreditation provision and our service to you - to enable DAO to be your awarding body of choice.

Opportunities

DAO will:

• Design Your Qualification
• Produce Your Qualifications in accordance with Ofqual Standards
• Accredit Your Qualification
• Produce Your Learners’ Certificates

For more information on the DAO and our qualifications call us or email our enquiries email address.
