28 September 2018

Notice to traders 25/18

Imports of rice under commission regulation (EU) No. 1273/2011

Introduction

This notice explains how the rules are applied to this quota and how to apply for a licence. It also advises you of the quota amounts available in the October quota period for semi milled, wholly milled and husked rice. Details of the quantities available are fully outlined in Annex 1 of this notice.

Proof of Trade

The following must be supplied to be eligible for a rice quota licence and if you do not have proof of trade as per below, then you are not eligible and cannot apply.

You must be established and registered for VAT in the Member State where you apply. You must inform us of your current VAT registration number, which can be provided on the quota licence application. However, if your company is part of a group VAT registration number then we require a hardcopy of your current VAT certificate to be received before the quota deadline.

If this is your first application of the quota year you must provide evidence to prove that you have imported rice at least once during:-

- the 12 month period immediately prior to the time of application; and
- the 12 month period immediately prior to that.

HMRC agents or representatives cannot apply for import licences under these quota arrangements.

Note: For details of the full procedures on providing proof of trade and applying for licences, please refer to Notice to Traders [25/17](#). If you do not follow the rules of the scheme, your application will be rejected.

Applications

Quota applications must be received within the first 10 working days of October 2018. It is your responsibility to ensure that your application and all supporting documentation are correct at the time of submission and is received by the RPA before 12 noon on the 10th working day.

Note: We will reject any applications where securities and/or proof of trade are received after 12 noon (UK time) on 14 October 2018.

We advise you to use the latest version of the [application form](#). You can also find information on the changes to licensing rules in Notice to Traders [38/16](#).

You can submit applications either by post, fax or e-mail. Our fax number is 03300 416 501. The e-mail address for licence applications is trader@rpa.gsi.gov.uk

Your application must not exceed the quantity available in each sub-period for the country of origin of the product for which you are applying.

Box 24 must contain an entry. You can find details of the required entry in Annex 1 of this notice.

You must not lodge more than one import licence application for the same quota order number in a sub-period, unless it is accompanied by an export licence.

Note: If you lodge more than one application for the same quota order number, all of your applications will be rejected.

Security

Security must be lodged with each licence application, the following must be provided:

- € 46 per tonne for applications under CN codes 1006 30;
- € 30 per tonne for applications under CN codes 1006 20;

You can find further information on how to lodge your security [here](#).

Issuing Licences

The European Commission will notify us of the quantity for which licences may be issued within 2 weeks of the application deadline (this may be less than the quantity applied for). Where this reduces the quantity to be issued to less than 20 tonnes lots will be drawn.

If your licence quantity has been reduced to less than 20 tonnes, you may withdraw your licence application within 2 working days of when the reduction is set.

When we have been notified by the Commission of the quantity of quota allocated, we will issue a licence within 3 working days.

Your licence will have a 5% upward tolerance. However, the reduction in duty will only be valid for the quantities shown in sections 17 and 18 of your licence.

Import licences will be valid from the day of issue plus either two or three months. Further details can be found in the relevant quota section of Annex 1 to this notice. Where an electronic licence is issued an e-mail can be sent to inform you of its issuance. To receive this e-mail notification you must have already completed the 'E-mail Acknowledgements' [il3 form](#).

Authority

You can find details of the arrangements in Commission Implementing Regulation (EU) No's 1273/2011 and 1301/2006 published in Official Journals L325 of 2011 and L238 of 2006. You can obtain copies from Stationery Office bookshops and accredited agents, or order from the Stationery Office website.

You can also access Official Journals electronically by visiting the Commission's [Europa](#) website. We are not responsible for the accuracy or completeness of the Europa website. Whilst every care has been taken in producing this guidance, the regulations as published are definitive.

Questions

If you have any questions regarding this notice, please contact the Import Licensing section as follows:-

“Customs duties limited to 15% ad valorem up to the quantity indicated in boxes 17 and 18 of this licence (Implementing Regulation (EU) No 1273/2011).”

This Publication was Withdrawn on 11 June 2020

Checklist for your reference prior to submitting a rice quota import licence application

Presenting a correct application will help us in processing your quota import licence.

Before submitting your application, check that the following details are correct:

- Is the quota order number correct for the commodity code and country, which you have applied for?
- Check the rate of security used is correct, i.e. €46, €30 or €5 per tonne.
- Does the security amount calculated cover the quantity applied for?
- Is it the correct description against the required commodity (CN) code?
- Has your proof of trade and a valid VAT certificate been supplied / submitted for the current quota year?
- Is the form signed and dated by an authorised individual?

If you are unsure of any details then the following will provide further information:

- **ET14 provides the list of descriptions (refer to Appendix 4 on page 32)**
- **Annex 1 of this Notice to Traders.**
- **The Import Licensing team contact details are given in this Notice to Traders.**
