How to fill in each section of your application form

Section I: What type of passport are you applying for?

Get it right

- If you have previously held a British passport as an adult or child that was issued for five or ten years, it isn't damaged and you don't need to change any personal details, you need to apply for a renewal.
- You can't renew a passport issued before 31 December 1993 or an expired 'old blue' style passport. You must apply as a first-time applicant and send the passport to us with your supporting documents.
- Put a cross in the Child box for under 16s. Put a cross in the Adult box if you are 16 or going to turn 16 within three weeks.
- Put a cross in the Adult or Child box in the Extension option if you are applying for a full five- or 10-year passport to replace a passport that was issued for one year or less.
- Put a cross in the relevant 'Changes to your existing passport' box. We will send you a new passport and you should pay the same as if you were renewing your passport.

Adult application

An adult is 16 or over. If you are going to turn 16 within three weeks, put a cross in the Adult box. Adult passports are normally valid for 10 years.

Child application

A child is under 16. Child passports are normally valid for five years.

Renewal

This applies if your existing undamaged British passport, your name and British national status have not changed. If you are renewing a Child's passport, put a cross in the Child box if they are under 16 or Adult box if they are 16 or over. (Please see 'Changes' below if your appearance has changed.)

First British passport

This applies if you have never had a British passport before, you were included as a child on someone else's passport, or you are renewing a passport issued before 31 December 1993, or an 'old blue' style passport. This includes those who were not British at birth but have gained naturalisation or registration as a British national and are applying for their first British passport.

Replacement

This applies if you want to replace a British passport that has been lost, stolen or damaged.

Extension

If your last passport was issued for one year or less, put a cross in the Extension box.

Changes

This applies to a change in your name, photo (including where you cannot be recognised from your current passport photo) or British national status.

What is a 48-page passport?

A standard passport is 32 pages. If you are a frequent traveller and need extra space for visas, select '48-page passport' on the application form. This is not available for children. A 48-page passport will cost more than a 32-page passport.

Section 2: Who is the passport for?

Get it right

- Include any middle names – the name you enter should match your previous passport. If you have never held a passport before, it should match your birth, marriage or nationality certificate or change of name document. If it doesn't, your application could be delayed.
- If there isn't enough space in the boxes provided please use section 8 of the application form to give the details in full.

Names to be shown on your passport

- We can add a limited number of titles to your British passport if you ask. See www.gov.uk/changing-passport-information for details.
- Please give the name of the person who the passport is for under 'surname' and 'first and middle names'.
- The name that is shown on the passport should be the name that you use for all purposes – that is, the name on your new passport should match the name that appears on your supporting documents (such as your birth certificate or previous passport). If you're a dual national and hold a non-British passport in a different name, you must change it to match the name you want on your British passport. You must do this before you make your application.
- You should check the requirements for the country you are in for when and how a name can be changed as this may not meet UK requirements. HM Passport Office cannot accept responsibility for any problems encountered as a result of issuing a passport in a new name which is not recognised in the country you live in.
- We can only show up to 30 characters (including spaces) for first and middle names and a further 30 characters for surnames. If your names won't fit in the boxes shorten them in a way you would want them to be shown on your passport. You should then write your full name in section 8 of the form. We will add your full name on the observation page on your passport.
- If you have changed your name, enter your name as it is now.
- Special characters and accent marks on names cannot be included on British passports. If your name has a special character or accent mark please enter your name using a normal letter eg e instead of é, or a instead of ä etc.

Change of name in passport

- If you are changing your name, put your new name in the 'Surname' and 'First and middle names' boxes and put your previous names in the 'Maiden or all previous names boxes'.
- Provide proof of your change of name if this is different from your supporting documents. Send proof to support every name change. This applies if you are getting married or forming a civil partnership and you want your passport to be in your new name.
- If you no longer want your middle name to be included in your new passport when it has been on previous passports, tell us in section 8 of the application form and provide evidence of the change. If you don't, we will add your name to match what is in your previous passport.
- If you spell your name differently, change the order of your names or add a new name, compared to what is in your previous passport, then you will need to provide evidence of the name change.
- For more details of the evidence you'll need to provide check the supporting documents guidance at www.gov.uk/overseas-passports
- List all of your maiden or previous names that you have been known by (surname first then first and middle names). Leave a space between each name. If they won't fit in the boxes, you should write them in full in section 8.
- You cannot change a child's name unless you have the permission of everyone who has parental responsibility for the child. Please see section 9 on parental responsibility for more information.

Current address

- Give your full residential address (where you live) including state or province, and postcode (where applicable).
- We may check you live at the address you give. If you don't, it may delay your application unless you explain the circumstances in section 8 of the application form.
- We won't normally return your passport to an address that is different from your current address. If you want it delivered to a different address, please explain why and give the other address in section 8. We may contact you for evidence of your connection to that address.
- If you live in a country where we deliver directly to your address please ensure there is someone available to sign for receipt of the passport and documents.

Gender

- Put a cross in the relevant box to say whether the person the passport is for is male or female.
- If you are transgender (live as a different gender to that shown on your birth certificate) or if you have changed or are in the process of changing your gender, you can get more guidance at [www.gov.uk/ changing-passport-information](http://www.gov.uk/changing-passport-information)

Place of birth

- Give the names of the town and country you were born in as shown on your birth, registration or naturalisation certificate or previous British passport.

Contact details

- Please give as many contact details as possible and make sure the information is accurate as we may need to contact you about your application. If you don't include an email address and mobile phone number, it may delay your application.
- To make sure our emails don't get missed in your spam folder, check your spam or junk folder regularly, or adjust your spam filter settings.
- We will contact you on your mobile phone number if we have any queries about delivery.

Section 3: Details of previous and current passports held

Get it right

Everyone must fill in Part A

Uncancelled passports

In part B, enter details of all uncancelled passports that you are sending us.

A cancelled passport has the top right-hand corner of the cover cut off. An uncancelled passport has not been cancelled by its issuing authority (British or another country). This may include:

- an expired passport (in other words one that has run out);
- passports you are or were included on (for example, as a child).

If you are a dual national, you should send us a full colour photocopy of the uncancelled non-British passport, or British Overseas Territories Citizen passport (every page including blank pages). If you hold a non-British passport in a different name, you must change it to match the name you want on your British passport. You must do this before you make your application.

Lost or stolen

Only fill in part C if your or your child's current passport has been lost or stolen.

- Give us the details that you can about the lost or stolen passport, even if you have already told us that the passport has been lost or stolen.

- You do not have to fill this section in full if you don't know some of the details.

Tell us as quickly as possible if your or your child's passport has been lost or stolen. This is to prevent someone misusing your passport and your identity.

Report a lost or stolen passport

- Complete an LS01 form and return it to HM Passport Office (the address is on the form) or, take it to your nearest British Embassy, High Commission or Consulate. Get more details and the LS01 form at www.gov.uk/report-a-lost-or-stolen-passport
- If your or your child's passport has been stolen report the theft to the local police. They may give you a reference number. Put this on the LS01 form.
- Submit the LS01 form with a passport application form if you want to apply for a replacement passport at the same time as reporting it lost or stolen. Get more details and the LS01 form at www.gov.uk/overseas-passports

We will cancel your lost or stolen passport once we have received the LS01 form. If you later find the passport which you reported lost or stolen, you must return it to us. You will no longer be able to use the passport. You may also be held by the immigration authorities or the police if you try to do so.

For security reasons, any passport which is found by a third party such as the Police should be returned to us for cancellation and destruction.

Section 4: Parents' details

Get it right

You need to fill in this section if:

- you are applying for your first adult passport
- you are applying to replace a passport that has been lost, stolen or damaged
- the passport you are applying for is for someone aged 16 or under, or
- you are applying to extend your passport.

Give all the details for both parents of the person named at section 2 of the application form.

For nationality purposes, parents are defined in law as 'mother' and 'father'. Nationality by birth cannot always be gained through either parent's national status. This includes parents who are of the same sex. Because of this, it is important that details of both parents are entered in the correct boxes.

If both parents were born after 31 December 1982, or were both born outside the UK, please give the following details in section 8 of the application form. Either:

- the full name, town, country of birth and date of marriage of your mother's or parent 1's parents and your father's or parent 2's parents, or
- details of your parents' claim to British nationality.

Step-parents and others taking a parental role that are not defined as either a 'mother' or a 'father' for nationality purposes must not fill in their details in section 4.

Adoption

When a child is adopted in the UK, nationality can be gained through either parent. If adoptive parents are of the same sex, the parent who appears first on the adoption certificate should enter their details in the box 'mother or parent 1' and the parent named second on the adoption certificate should enter their details in the box 'father or parent 2' regardless of sex.

If a child is adopted outside the UK under the Hague Convention, nationality may be gained through the adoptive parents depending on when the adoption took place, the nationality and residence of the adopters at the time of the adoption. For passport purposes an adoption order or certificate issued by the relevant foreign authority is required, validly certified under Article 23 of the Hague Convention. Until a full adoption order is made, whether in the State of origin or in the UK, an Article 23 certificate will not be issued. For further guidance on adoptions outside the UK visit www.gov.uk/child-adoption/adopting-a-child-from-overseas

Children conceived through sperm donation

If your child was conceived through sperm donation and born in the UK, you should complete the form in the normal way. You do not need to tell us your child was conceived through sperm donation.

If the parents are of the same sex, the mother who gave birth should enter their details in the box 'mother or parent 1' and the parent named second on the child's birth certificate should enter their details in the box 'father or parent 2'.

If your child was conceived through sperm donation and born outside the UK see www.gov.uk/government/publications/how-to-get-a-passport-if-your-child-was-conceived-through-sperm-donation for information on what documents you'll need to send.

Surrogacy

When a child is born of a surrogacy arrangement and a parental order has been granted in the UK after 6 April 2010, nationality can be taken through either parent named on the order. Where these parents are of the same sex, the parent who appears first on the parental order should enter their details in the box 'mother or parent 1' and the parent named second on the parental order should enter their details in the box 'father or parent 2'.

Where a child is born as a result of a surrogacy arrangement outside the UK to a man and a woman and a passport is being sought before a parental order has been granted, the child may have an automatic claim to British nationality as long as:

- (a) the child is biologically related to the British father and,
- (b) the British father is not British by descent and,
- (c) the birth mother is not married at the time of the birth.

If the child is biologically related to the father but he is British by descent and/or the birth mother is married at the time of the birth, the commissioning surrogate parents must seek to register the child as a British Citizen before applying for a passport for the child. The child will not be British until this step is taken. For further information on entering into surrogacy arrangements in foreign countries please visit www.gov.uk/government/publications/surrogacy-overseas

It may be possible to apply for a passport before a parental order has been granted. Passport applications involving surrogacy are often highly complex and we may need to ask for further documentation or to talk to you in person after you have sent us your application. Please allow a lot more time than our average processing times for such applications to be processed – we recommend submitting an application involving surrogacy at least 4 months before you need the passport. We are not in a position to guarantee a specific processing time for these cases.

No mention of parent's details or 'mother or parent 1' and 'father or parent 2' will appear on the passport. This information is used simply to gather the information we need to issue a passport.

Child with one parent

If you are the only parent of your child, fill in either the 'Mother or Parent 1' or 'Father or Parent 2' sections of the form, whichever applies to you and leave the spaces for an additional parent blank.

Add a note in section 8 to show that you are the only parent and why (whether you do not know the other parent of the child, are an individual adopter, or an individual parent whose child was conceived through sperm donation and so on).

For more information on the circumstances in which nationality is decided please visit www.gov.uk/british-passport-eligibility

Section 5: Certificate of registration or naturalisation

Get it right

You must put a cross in the 'No' or 'Yes' box.

The **No box** applies if the person named in section 2 has been British since birth. You do not need to fill in any more details in this section.

The **Yes box** applies if the person named in section 2 has been granted a certificate of registration or naturalisation by the Home Office. Provide details from the certificate of registration or naturalisation here.

Section 6: Children aged 12 to 15

Get it right

A child applicant aged 12 to 15, or a child who will turn 12 within three weeks, needs to sign this section. This signature will appear in the passport. The person giving permission as a parent must still sign section 9 of the form.

If your child is not able to sign the form, you should:

- leave this section blank; and
- tell us in section 8 and attach a covering letter explaining why the child cannot sign. This can be written by the parent or the child's carer or doctor.

Section 7

Please do not write in this section. We have left it blank deliberately.

Section 8: More information

Get it right

Most people will not need to fill in this section. The examples below show when you should give us extra information using this section.

- Names or contact details, including email address and telephone number that you were not able to fit in the boxes in section 2.
- Tell us which country's passport your countersignatory holds, and his or her email address.
- If you change your name after getting married but you want to continue to use your maiden name for professional purposes tell us in section 8 of the application form and we will add a note on the observation page of your passport showing your maiden name.
- Grandparents' details if both parents named in section 4 were born after 31 December 1982 or were born abroad.
- If your passport is lost or stolen and you have already submitted a Lost and Stolen Notification form LS01, tell us here that you have already submitted the form.
- Tell us why you need to have your passport sent to another address and give us the other address.
- If you have a disability that means you can't meet the passport photo requirements. Please include a letter from your doctor, and tell us if it's a permanent or temporary disability.
- If you have a mental or physical condition that you believe would prevent you from coming to, or taking part in, an identity interview. (See page 16)
- If your passport is damaged, explain briefly how it was damaged.
- If your signature could not be provided in section 6 or 9, tell us in section 8 and attach a letter of explanation from an appropriate person such as a parent (for section 6) or a doctor, carer or social worker. They will need to sign the application on your behalf.

- If the application is for a child and you have parental responsibility, you should say if you have enclosed any court orders that relate to the child's residence in, contact with or removal from a country.
- If the applicant was born of a surrogacy arrangement.
- If you are applying for a British National (Overseas) Passport you should enter the number of your Hong Kong permanent identity card and enclose a colour photocopy with your application.
- If the address you have given in section 2 is not where you live, please explain why.

If you need more space

- If there is not enough space in section 8, please include any extra information on a blank sheet of paper. You should sign and date this and include it with your application form.

Section 9: Declaration

Get it right

- Before you fill in and sign the declaration, read the form again to make sure that the information you have given is correct.
- Fill in this section if you are 16 or over and are applying for:
 - your own passport
 - a passport for the child named in section 2,
- or
 - someone who cannot sign and you are signing on their behalf.
- Read points 1 to 9 in the declaration section of the form before you date and sign. The signature you put on the passport form will appear on the passport.
- If you are applying for a child, give your full name.

People applying under age 18

If you are 16 and over, or you will turn 16 within three weeks, sign the declaration yourself. You don't need permission from a person with parental responsibility.

For applicants with a learning disability who cannot understand the consequences of signing the declaration in section 9, someone with parental responsibility should give their permission. Please use section 8 of the form to explain why the applicant cannot sign the declaration.

Parental responsibility

A child under 16 must have permission from a person with parental responsibility.

The mother automatically has parental responsibility for her child from birth, and can give permission.

The father can give permission if he:

- was married to the mother at the time of the child's birth (or, for those living in Scotland, when the mother became pregnant)
- was married to the mother at any time after the child's birth
- has a parental responsibility order or agreement (which must be sent with the application)
- has a child arrangements order which grants parental responsibility, or:
- is named on the birth certificate (which must be sent with the application) and the birth was jointly registered on or after:
 - 15 April 2002 in Northern Ireland
 - 1 December 2003 in England and Wales, or
 - 4 May 2006 in Scotland

For children born to female same-sex partners who conceived through sperm donation, the second female parent can give permission if she:

- was married or in a civil partnership at the time of the child's conception and consented to the conception
- has a parental responsibility order or agreement (which must be sent with the application)

- has a child arrangements order which grants parental responsibility, or
- is named on the birth certificate (which must be sent with the application) and the birth was jointly registered on or after 6 April 2009

If the child's parent is under 16, they can also sign the declaration on behalf of the child.

If a child has been adopted, either adoptive parent can give permission.

If parents are divorced, a child arrangements order or maintenance order will not automatically take away the parent's parental responsibility.

If a child has been born of a surrogacy arrangement, either parent named on the parental order or birth certificate can give permission. If the application is made before the parental order is granted, the rules are more complex. Please contact us for guidance if this applies to you.

Step parents (adults who enter into a marriage or civil partnership with someone that is already defined as a parent as explained above) can give permission only if they have parental responsibility by a parental responsibility order, a child arrangements order giving parental responsibility or parental responsibility agreement.

If the child is in care or is living with foster parents, we will need permission from the local authority before we can issue a passport to the child. For separate guidance notes for social services, please visit www.gov.uk/government/publications.

If the court has made an order about who the child should live with, or about the child having a passport, this must be sent in with the application.

If there is an ongoing case about who the child should live with or a dispute about parental

responsibility of the child, we may refuse to deal with the application if someone with parental responsibility has made an objection to the child having the passport. If the child is the subject of an ongoing case about who they should live with, we are unlikely to issue a passport without the express permission of both parents or on the direction of a UK court, or equivalent court order outside the UK.

If an adult is acting as a parent in a situation other than one described in this section, please explain the circumstances in an accompanying letter to your application. We will also need documentary proof of your responsibility for the child.

If we have already issued a passport to a child after an application has been made by one parent, the other parent or anyone else with parental responsibility cannot apply for a separate passport for that child.

If we have issued a passport in good faith, we would not usually cancel that passport without the permission of both parents or a Court Order.

If you cannot sign the declaration:

- get someone else to sign on your behalf, and
- tell us in section 8 and attach a covering letter to explain why you cannot sign. This is normally done by the person filling in the application form on your behalf. Your passport will note that the holder does not have to sign.

For more advice or if the person with parental responsibility is not able to give permission, please see page 14 for ways to contact us.

Section 10: Countersignature

✓ Get it right

A 'countersignatory' will need to fill in this section if you are applying:

- for a first British passport
- to replace a lost, stolen or damaged passport
- to renew a child passport (if the child is aged 11 or under), or
- to renew a passport (adult, or child aged 12 to 15 years) if you cannot be recognised from the photograph in your current passport, or to extend a passport.

Countersignatories

- A countersignatory is someone who can confirm your identity. They need to confirm that, to the best of their knowledge, the details you have given in your application are correct, and they must also confirm that the photograph is of you.
- For child applications (aged under 16) it is also to confirm that they have known, for at least two years, the adult who signed the declaration in section 9 of the application form. They must also confirm that the person has parental responsibility for the child and confirm the child's photo.

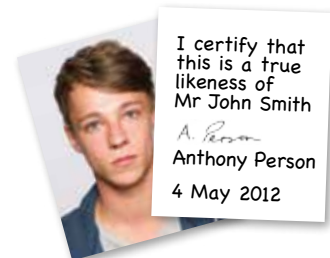

The countersignatory must:

- be a professional person (including those who are retired) for example, bank or building-society officials, police officers, civil servants, ministers of religion and people with professional qualifications like teachers, accountants, engineers and solicitors. You can find more information at www.gov.uk/countersigning-passport-applications
- have known you personally for at least two years (for example, a friend, neighbour or colleague, not someone who knows you professionally), and
- hold a British, Irish or other EU, US, or Commonwealth passport (in that order of preference) which has not run out. We will be able to process applications more quickly where the countersignatory has a British or Irish passport.
- if you cannot comply with the countersignatory requirements your application may be delayed. You must provide a full explanation in Section 8 and we will contact you, using the details on your application form, to agree a way forward.

The countersignatory needs to:

- tell us which country's passport your countersignatory holds, and his or her email address.

- when they hold a US, Commonwealth or other EU (not British or Irish) passport, they must provide a colour photocopy of the page with their photograph on it. This must be included with the countersigned application.
- read through the completed application form to make sure the information is accurate
- fill in section 10 of the form, giving their passport number, and then sign the box
- give their business address (or private address if this does not apply) and contact details
- for an adult application, 'certify' one (not both) of your photographs – signing and dating one of the photographs as shown in the example below
- for a child application under 16, confirm that they have known the adult who signed the declaration in section 9 of the application form for at least two years, and certify the photograph (giving the child's full name), signing and dating it as shown in the example below and
- put their initials next to any mistakes they may make in section 10.

The countersignatory must not:

- be related to you by birth or marriage (including in-laws or partners of family members)
- be in a personal relationship with you
- be a commercially employed agent helping the applicant to apply for a passport
- live at your address, or
- work for us at HM Passport Office

What we do with the details of the countersignatory

As part of our work we will check that the countersignatory is genuine. This may include checking their passport and other records to confirm their identity and their profession or professional qualification.

Please make sure that your countersignatory knows that we may contact them and carry out these checks.

We may ask you to provide another application form with a different countersignatory if we are not satisfied with your choice of countersignatory or if we cannot contact them.

What you need to include with your form

Check the supporting documents guidance at www.gov.uk/overseas-passports. Your application will be delayed if you don't submit all the right documents.

Get it right

- Send us original or replacement documents. Unless stated, we do not accept photocopies or certified copies of documents, or documents that have been laminated.
- If you need to send a birth certificate, it must be a full birth certificate. (This is one that contains the details of both you and your parents).
- If you need to get a document from a local issuing authority, do it before you apply.
- If any document you are providing is in a language other than English or Welsh, you must provide the original document and an official translation. This must be signed and stamped by a translator who is a member of a recognised professional organisation to prove it is genuine.

If you want to replace documents issued in England and Wales, go to www.gov.uk/bmdcertificates.

To replace documents issued in Northern Ireland, go to www.nidirect.gov.uk and for Scotland go to www.gro-scotland.gov.uk

To replace documents issued outside the UK, get advice from the relevant British Embassy, Consulate or High Commission of that country.

Change of name for newly-weds and new civil partners

- If you are getting married or forming a civil partnership and will be changing your name, and you plan to travel to another country shortly after the ceremony, or want to use your passport in your new name shortly after the ceremony, we can issue a passport in your new name up to three months beforehand. In some cases we will not be able to issue a passport within 3 months, but will contact you if this applies to you.
- The passport will only be valid from the date of the wedding/civil partnership, and so can be used after the date of your ceremony. Your old passport will be cancelled and you will no longer be able to use it for travelling. It can be returned to you to be used as an identity document, but you must be sure that the authorities in the country where you are living are content for you to have a cancelled passport as your identity document which may also contain your current residence permit or work visa. You must consider the consequences of cancelling your current passport in your existing name and not having a valid document for a time.
- You will need to send a 'Post-date' form (PD2) with this application. The person who will carry out the ceremony should fill in part 1 and you should fill in part 2 (using your current – not future – name and signature). Get more details and a copy of the PD2 form from www.gov.uk/changing-passport-information or by contacting the passport advice line.

Passport fee

The passport fee when applying from outside the UK depends on the type of application you are making. The fee is set in pounds sterling and payable at the time of applying.

You will have to pay a courier fee to cover the cost of the return of your new passport and supporting documents.

In some countries where you have to apply in person, the courier fee will cover the cost of forwarding your application to the UK for processing and the cost of returning the new passport to a local office, for you to collect.

We cannot usually refund the fee if your application is unsuccessful or withdrawn. This is because we will already have carried out a lot of work in processing it.

The British passport stays the property of the Crown, not the person who holds it. If payment is unsuccessful we will cancel the passport and you will not be able to travel with it or use it for identity purposes.

How much

For information on passport fees visit www.gov.uk/overseas-passports

If you were born on or before 2 September 1929, you don't have to pay for a standard 32-page passport. The passport and delivery to you will be free of charge.

How to pay

You must pay in pounds sterling by credit card or debit card using the payment instruction form which you can download from www.gov.uk/overseas-passports. The cards we accept are Mastercard, Visa, Electron, Diners Club and JCB.

Complaints about passports

I Step one

If you have a complaint about how we handled your passport application, please contact our Customer Contact Centre by phone, in writing or by using our online enquiry form.

Phone: +44 (0)300 222 0000

Write to:

HM Passport Office
PO Box 767
SOUTHPORT
PR8 9PW
United Kingdom

Online: visit www.gov.uk/passport-advice-line and complete our online enquiry form

When you write to us, please provide:

- full details of the problem
- the name and date of birth of the person the passport was for
- the date the application form was sent to us and if you used a courier, the courier reference details
- which of our offices the application form was sent to
- the passport number, if you have one
- information so we can contact you (name, address, postcode, daytime/mobile and evening phone numbers, and a fax number and email address if you have these).

When we receive your complaint, we will investigate and let you know what went wrong and advise you what we are doing to put things right.

We will contact you within 15 working days from receiving your complaint, either with a full reply or to let you know what is happening if we have not finished our investigation.

2 Step two

If you have followed step one and are not satisfied with our response, you can ask us to review your complaint.

3 Step three

If you have followed steps one and two and are still not satisfied, you may ask your Member of Parliament (MP) to raise the matter with our Director General.

Follow the advice at www.parliament.uk/mps-lords-and-offices/mps/find-your-mp-help/ to find an MP where you were last living in the UK. If you have never lived in the UK, or you are having difficulty contacting an MP, you can write to our Director General using our general enquiry address available at www.gov.uk/passport-advice-line or a Home Office Minister via the Direct Communications Unit by email: public.enquiries@homeoffice.gsi.gov.uk.

4 Step four

If you are still not satisfied, you can ask an MP to ask for an investigation by the Parliamentary and Health Service Ombudsman (the Ombudsman). You can only do this through an MP.

The Ombudsman's role is to investigate complaints by members of the public about the way government departments, and their executive agencies, have treated them.

Compensation

We realise that sometimes our mistakes may cause you expense or financial loss. In these cases, you should follow the instructions in step one and write us a letter. With the letter you should send any documents that prove your claim (for example, a receipt to show a cancelled flight). If your claim for compensation is agreed, payment will be made by

sterling cheque. Alternatively, payment can be made onto a chosen debit or credit card, but you will need to provide an email address so that we can contact you about your preferred payment option.

Identity interviews

In some cases we may call you for an identity interview in order to verify details in your application. This will take place outside of the UK and, as far as is possible, we will attempt to secure a location that minimises inconvenience. In the case of child applications we may need to talk to one or both parents of the child. The interview will help us to confirm your identity and that the passport application we have checked belongs to you. You may also be asked to attend interview with additional documentation. This is an important part of our commitment to help to reduce identity fraud. It will help us to spot and prevent other people using your identity and committing fraud in your name.

You should send us your application form in the normal way. If an interview is considered necessary we will then contact you. This process will increase the time it takes for us to process your application.

If you have a mental or physical condition that would prevent you from taking part in an identity interview, please let us know in section 8 of the application form. You should also provide a letter from your doctor or hospital consultant explaining your condition and if this is likely to be permanent or if an improvement can be expected.

What we will ask you at the interview

We will ask you to confirm basic information about yourself or your child, including information that someone trying to steal your identity may not know. Our questions will also be based on information you give in your application form, your supporting documentation and from our searches against other public and private sector databases or records. The questions we ask will not be the same at every interview.

If you are invited to come for an interview, we will write or telephone with more information.
