## Seasonal flu vaccine uptake in GP patients 1 September 2014 to 31st January 2015 report

### **Amendment to the following tables from Page 3-13:**

Seasonal flu vaccine uptake (GP) 2014/15 - Data on GP registered patients by Area Team

Seasonal flu vaccine uptake (GP) 2014/15 - Data on GP registered patients by Clinical  
Commissioning Group

Due to a formatting error in the document, figures for the tables were assigned to incorrect Area Teams and Clinical Commissioning Groups. All fields were affected and have now been updated to accurately reflect uptake data for each Area Team and Clinical Commissioning Group.
