

When to use this form

Fill in this form to tell us about any gifts the deceased made on or after 18 March 1986.

Do not tell us about any gifts where the total value was £3,000 or less in any tax year, small amounts of £250 or less or if the gifts were made to a spouse or civil partner.

To work out the total value of the estate (on which tax is charged) we may need to add the value of these gifts to the value of the estate at the date of death.

Taper relief

Do not deduct taper relief on this form. Taper relief is only available on the tax on gifts that both:

- have a combined value that is more than the Inheritance Tax nil rate band available for the estate
- are made between 3 and 7 years before the date of death

If tax is due on the gifts HMRC will send you separate calculations and include any taper relief due.

For more information about taper relief go to www.gov.uk/inheritance-tax

Gifts made within the 7 years before death continued

If Inheritance Tax is due on any of the gifts, the people who received them are liable to pay the tax due on them. This is separate from the Inheritance Tax that may be due on the estate. A year after the date of death, the executors or administrators of the deceased's estate become jointly liable for the tax on the gifts.

We can only contact you about the gifts if the people who received them have authorised you to deal with us on their behalf.

Have the people who have received the gifts authorised you to deal with us on their behalf?

No Provide details of the people we should contact about the tax due on any lifetime gifts in the boxes below.
