

**Notice of the landing of various material originating in China or Belarus required by EU Commission
Implementing Decisions (EU) 2018/1137 – **PLEASE TYPE CONSIGNMENT DETAILS WHERE POSSIBLE****

Your local Forestry Commission (FC) contact is:	
FC contact Email:	FC Contact Telephone no(s)

Important Notes: All sections highlighted in red are mandatory and must be completed by the agent or importer. All other boxes highlighted in blue should be completed where possible. Sections outlined in yellow are to be completed by the FC inspector. Missing information may result in delays in processing and clearance. Completed notification of landing forms should be received by your FC inspector preferably 3 working days before landing. FC Inspector endorsed Notice of Landing forms will be issued to all importers or their agents. There is currently no FC Plant Health Inspection charges for an inspection operation, however commercial Port Authority container movement and handling charges may apply.
