General Data Protection Regulations (GDPR) and the Data Protection Act 2018

In preparation for the new data protection regime APHA is moving to a system of privacy notices supported by a general personal information charter. These will be updated over a short period of time. The privacy notices will reflect APHA's different functions and services.

To find these documents please go to www.gov.uk and search Animal and Plant Health Agency personal information charter. If you need them in an alternative format please contact us at the address below.

As APHA is an Executive Agency of the Department for Environment, Food and Rural Affairs (Defra), Defra is the data controller for the personal data you give APHA. This applies to any personal data that you provide when you complete National List and Plant Breeders' Rights Application Forms, Technical Questionnaires, Authorisation of Agent and Assignment of Rights forms.

APHA will use your personal data primarily for the purposes of producing the Public Record of National Lists and Grants of Plant Breeder's Rights in accordance with The Seeds (National Lists of Varieties) Regulations 2001 (as amended) and the Plant Breeders' Rights Regulations 1998. Your personal data will be disclosed to the Devolved Authorities, NIAB and the British Society of Plant Breeders for the administration of DUS tests and VCU trials.

APHA may also use your personal information where appropriate for purposes, including the production of the Common Catalogues of Agricultural and Vegetable Plant Species and the OECD List of Agricultural Plant Species Eligible for Seed Certification. Data may be passed to other bodies where necessary for any of the above-mentioned purposes. The data collected may also be used to provide publicly available statistics that will not identify individuals.

APHA may be required to release information, including personal data and commercial information, on request under the Environmental Information Regulations 2004 or the Freedom of Information Act 2000. However, APHA will not permit any unwarranted breach of confidentiality nor will we act in contravention of our obligations under the data protection legislation

APHA or its appointed agents may use the name, address and other details on your application form to contact you in connection with occasional customer research aimed at improving the services that APHA provides to you.

If you believe that any of the information we hold concerning you is incorrect or out of date, please provide us with the accurate information in writing together with supporting evidence (if appropriate). You should address your correspondence to:

2. Applications for National Listing or Plant Breeders' Rights for Genetically Modified Candidates

Customers considering applying for National Listing (NL) or Plant Breeders' Rights (PBR) of plant species which contain Genetically Modified Organisms (GMOs) should contact APHA Varieties and Seeds at the earliest opportunity for advice and certainly in advance of submitting the application.

3. EC Common Catalogues of varieties of agricultural plant and vegetable species

Up to date Agricultural and Vegetable Common Catalogues can be found on the [EU Plant Variety Database](#).

Official Notices - continued

4. Summary of closing dates for main ornamental crops tested at NIAB for the UK, CPVO and under Bilateral agreements

Species / group	Final closing date for applications	Submission period for delivery of material
Chrysanthemums (including Ajanía)		
All Year Round varieties (AYR)		
AYR Crop 1	14 th August	6 th – 10 th January 2020
AYR Crop 3	17 th February	1 st – 5 th July 2019
On receipt, applications will be allocated to the next suitable growing trial		
Natural Season varieties, including garden varieties	1 st December	9 th – 13 th April 2019
Dahlias	1 st December	6 th – 10 th May 2019
Delphiniums Vegetatively propagated	1 st December	18 th – 22 nd February 2019 11 th – 22 nd March 2019 depending on type
Seed propagated	1 st December	21 st – 25 th January 2019
Herbaceous perennials Hardy varieties	1 st December*	11 th – 22 nd March 2019*
Tender varieties (and "basket"/pot plants)	1 st December	22 nd -26 th April 2019
Narcissus	31 st May	19 th – 23 rd August 2019
Roses	30 th September	1 st -15 th November 2018
Seed propagated ornamentals	1 st December*	21 st – 25 th January 2019*
Trees, shrubs and woody climbers	1 st December*	11 th -22 nd March 2019*

Notes:

- **Roses:** the minimum plant quantity requirement is eight plants.
- **Requesting Authorities** must forward their paperwork to the test centre within 10 working days of the final deadline for applications, to allow time for planning the trial.
- The deadlines apply to vegetatively propagated varieties except where specifically indicated, and assume all material to be container grown except for Chrysanthemums which must be supplied in the form of cuttings.
- *Different dates will apply to varieties flowering over winter or in very early spring. Please ask for further information.
- **No plant material should be sent until specifically requested. Submission periods may be varied slightly from year to year to take account of National Holidays etc., and applicants should read any instructions they receive with care.**

Official Notices - continued

4. Summary of closing dates for main ornamental crops tested at NIAB for the UK, CPVO and under Bi-lateral agreements (Continued)

Address for delivery of plant material:

Ornamental Crops (**attention Tara Sheldrake**),
NIAB
Park Farm
Villa Road
Impington
Cambridge
CB24 9NZ
United Kingdom

If you are applying for a type of plant which is not listed, or if you require any further information please contact:

Rob Warlow
Plant Variety Rights Office
Animal and Plant Health Agency
Varieties and Seeds
Eastbrook
Shaftesbury Road
Cambridge
CB2 8DR

Email: rob.warlow@apha.gsi.gov.uk

Fax: 02084 152504

5. Previous Issues of the Plant Varieties and Seeds Gazette.

If anyone requires copies of previous Gazettes, that cannot be found online, please **contact** [Brian Richardson](#) Telephone 02080 265731 who will provide either electronic or hard copy.

Official Notices - continued

6. Plant Breeders' Rights and National Listing closing dates for submission of applications and plant material

Plant breeders who are intending to make applications and/or submit seed for Plant Breeders' Rights and/or National List tests and trials in the 2019 season in respect of the following species are asked to arrange for these to be sent to the address below so as to arrive no later than the dates given. Please note that if the closing date falls at a weekend or on a Bank Holiday, applications/seed must be received by the next working day. Applications and/or seed/plant material received after these dates cannot be considered for tests and trials in the 2019 season.

BSPB will request seed for VCU trials. Wheat, barley, oats and field bean seed for DUS plots will normally be requested by APHA.

Address for receipt of seed is:-

ACC-DUS
NIAB
Huntingdon Road
Cambridge
Cambridgeshire
CB3 0LE

However, please note that seed for **VCU authentication** and **all** winter oilseed rape samples should still be sent to the Seed Handling Unit at NIAB, Whitehouse Lane, Huntingdon Road, Cambridge, CB3 0LE.

National List and Plant Breeders' Rights application forms, Technical Questionnaires and Technical Questionnaire confidential part (which is optional) and species specific appendices to the Technical Questionnaire can be downloaded from the [Forms catalogue](#) on the [GOV Website](#). Electronic submission is now possible.

7. Introductory paragraphs on representations

Written representations and requests to be heard

Plant Breeders' Rights

The Plant Varieties Act 1997

Section I - Applications for Plant Breeders' Rights

Section IV - Proposed Grant or Refusal of Applications

Section VI - Proposed Surrender or Termination of Grants and Declaring Rights Null and Void

Written representations and/or requests to be heard by the Controller or by a person appointed by him for that purpose may be made regarding proposals made in Section IV & VI above. Only written representations may be made regarding applications under Section I.

For Sections I & IV, representations may be made by the applicant, any person who has a substantial interest in an application which is the subject of one of these proposals or who is in a position to provide evidence which is likely to be material to its consideration. For proposals under Section VI, representations may be made by the holder of rights, any person who is the holder of a licence to exercise any Plant Breeders' Rights in the plant varieties in question and any persons whose financial interests are likely to be affected by the decision.

The representations and/or requests to be heard must be sent to the Controller by 30 November 2018. Written representations should be accompanied by a fee of £30.00 (Cheques should be made payable to APHA). If a hearing is granted then a fee of £65.00 is payable before it is held.

Any representations received will be circulated by the Controller to all interested parties and a period of 21 days allowed for subsequent representations to be made. The Controller shall then be entitled to make a decision after he has received any further representations but may, if he considers it desirable, allow further representations.

If a hearing is to be held then at least 14 days notice will be given to all parties. Any supporting documents relating to the hearing must be made available to the Controller at least 7 days before the hearing.

Written representations and or requests to be heard should be forwarded to the Controller at the following address:

Animal and Plant Health Agency
The Plant Variety Rights Office
Eastbrook
Shaftesbury Road
Cambridge
CB2 8DR

7. Introductory paragraphs on representations (Continued)

Written representations and requests to be heard (Continued)

NATIONAL LISTS

Section IV - Proposed Additions and Refusals

Section VI - Proposed Deletions

Any person who would be affected by a proposed decision in Section IV & VI above may make representations to the National Authorities in writing, or be heard by a person appointed by National Authorities for the purpose, or if they wish, make both written representations and be heard. The representations and/or request to be heard must be received by the National Authorities not later than 30 November 2018 if they relate to proposed additions and refusals and not later than 31 February 2019 where they relate to proposed deletions. Written representations should be accompanied by a fee of £30.00. (Cheques should be made payable to APHA). If attendance at a hearing is granted then a fee of £60.00 is payable before it is held.

Persons affected means as the case may be:

- a) The person who has made the application for the addition of a plant variety to a National List, the application for the renewal of the period during which a plant variety may remain in a National List or the application to be indicated in a National List as a maintainer of a plant variety;
- b) Any person appearing to the National Authorities to have sufficient interest in the matter to which the proposed decision relates;
- c) Any person or organisation appearing to the National Authorities to be representative of a class of persons likely to be affected by the decision.

Written representations and/or requests to be heard should be forwarded to National Authorities at the following address:

Animal and Plant Health Agency
Plant Varieties and Seeds
Eastbrook
Shaftesbury Road
Cambridge
CB2 8DR

PLANT BREEDERS` RIGHTS AND NATIONAL LISTS

Section II - Variety Denominations

Proposed Names

Any person who wishes to object to either the approval of a proposed name or the approval of a proposed change of name on the grounds that it is unsuitable on one or more of the grounds set out in Regulation 3 of The Plant Breeders' Rights (Naming and Fees) Regulations 2006 or in Regulation 6(2) of The Seeds (National List of Varieties) Regulations 2001(as amended) may make written representations. These must set out in full the reasons for the objection and must be delivered not later than 31 February 2019. They should be accompanied by a fee of £30.00 and addressed to the Controller (for Plant Breeders' Rights) or the Secretary of State for Environment (for National Listing) at the above address.

VARIETIES LISTS

The following symbols are in use in the Sections of the Varieties Lists:

#	Addition to a National List in accordance with Regulation 5(5)
&	PVS Proposed deletion
(H)	Hybrid variety
@	Addition to a National List of herbage varieties not intended for fodder production
M	Multigerm
MSH	Male sterile hybrid
NL	National List applicant
P	Pollinator
PBR	Plant Breeders' Rights applicant
^	Proposed addition to a National List in accordance with Regulation 5(5)
am	Amenity variety - the applicants have declared that seed of these varieties is not intended for fodder production and the Agriculture Departments have not therefore conducted trials for value for cultivation and use. The labels on each bag of seed marketed will have to bear the words "NOT INTENDED FOR FODDER PRODUCTION".
m	Monogerm
r2	2 rows
r6	6 rows
(c)	Indicates a variety denomination in the form of a code under Commission Regulation 930/2000
(gm)	Indicates that a variety is genetically modified as defined by Council Directive 2001/18/EEC

IV. DECISIONS

a) PROPOSED ACCEPTANCE OR REFUSAL OF PLANT BREEDERS' RIGHTS AND NATIONAL LIST APPLICATIONS

Reports of the results of tests and trials on the undermentioned varieties for which applications have been made are available for inspection by the applicant or any person concerned in the proceedings on these applications. Copies of reports can be supplied on request. (See introductory paragraphs on representations).

(i) PROPOSED GRANTS OF PLANT BREEDERS' RIGHTS AND/OR ADDITIONS TO A NATIONAL LIST

It is proposed to grant rights (PBR) and/or add to the National List (NL) the following varieties as indicated:

NOTE: The ploidy of both seed-bearing and pollen-shedding components of seed producing crops of sugar and fodder beet is established as follows:-

2	2N X 2N	Male sterile diploid with a male diploid
6	4N	Tetraploid without male sterility
1	2N	Diploid without male sterility
7	2N + 4N	Diploid and tetraploid without male sterility
4	2N X 4N	Male sterile diploid with a male tetraploid
5	2NX (2N+4N)	Male sterile diploid with a male anisoploid
3	4N X 2N	Male sterile tetraploid with a male diploid

c) STATUTORY NOTICE CONCERNING VARIETIES TO BE RENEWED ON THE NATIONAL LISTS AFTER A PERIOD OF 10 YEARS

Applications for renewal of the following varieties on the National Lists after a period of 10 years were advertised in the July 2018 edition of the Plant Varieties and Seeds Gazette. No representations were received and the National Authorities will, at the end of the 10 year period, renew these entries on the National Lists for a further period of 10 years to 31 December 2030.
