AUDITOR'S REPORT

(see notes 81 to 86)

made in accordance with section 36 of the Trade Union and Labour Relations (Consolidation) Act 1992.

1,	In the opinion of the auditors or auditor do the accounts they have audited and which are
	contained in this return give a true and fair view of the matters to which they relate?
	(See section 36(1) and (2) of the 1992 Act and notes 83 and 84)

YES

- 2. Have the auditors or auditor carried out such investigations in the preparation of their audit report as will enable them to form an opinion as to:
 - (a) whether the trade union has kept proper accounting records in accordance with section 28 of the 1992 Act;
 - (b) whether it has maintained a satisfactory system of control over its transactions in accordance with the requirements of that section; and
 - (c) whether the accounts to which the report relates agree with the accounting records? (See section 36(3) of the 1992 Act, set out in note 83)

YES

- 3. Are the auditors or auditor of the opinion that the union has complied with section 28 of the 1992 Act and has:

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF CSEU 35 HOUR WEEK CAMPAIGN FUND

Opinion

We have audited the financial statements of the CSEU 35 Hour Week Campaign Fund for the year ended 31 December 2017 which comprise the Income and Expenditure Account, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31 December 2017 and of its income and expenditure for the year then ended; and
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusion relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Executive Council's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Executive Council's has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Union's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Executive Council is responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF CSEU 35 HOUR WEEK CAMPAIGN FUND

Matters on which we are required to report by exception

The Trade Union and Labour Relations (Consolidation) Act 1992 (Amended) requires us to report to you if, in our opinion:

- a satisfactory system of control over transactions has not been maintained; or
- the Union has not kept proper accounting records; or
- the financial statements are not in agreement with the books of account; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in this regard.

Responsibilities of Executive Council

As explained more fully in the Statement of Responsibilities of the Executive Council, the Executive Council is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Executive Council determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Council is responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Council either intends to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: http://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

This report is made solely to the Union's members, as a body. Our audit work has been undertaken so that we might state to the Union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Union and the Union's members as a body, for our audit work, for this report, or for the opinions we have formed.

ACCOUNTING POLICIES

YEAR ENDED 31 DECEMBER 2017

INFORMATION IN RESPECT OF THE FUND

The CSEU 35 Hour Week Campaign Fund is a separate fund of the Confederation of Shipbuilding and Engineering Unions, which is a trade union registered in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992 with its head office at Unite House, 128 Theobalds Road, London WC1X 8TN.

ACCOUNTING CONVENTION

The financial statements have been prepared in accordance with FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS102"). The accounts have been prepared under historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to the financial statements.

Trade Unions are governed by the Trade Union and Labour Relations (Consolidation Act) 1992 Amended. Under that Act the accounts of Trade Unions are required to give a true and fair view. Therefore, the accounts of Trade Unions are prepared under FRS102. However, as a Trade Union is not a company the Regulations that form the basis of disclosures under FRS102 have been adapted as considered necessary to ensure the accounts give a true and fair view to the members of the Trade Union.

The fund is part of the Confederation of Shipbuilding and Engineering Union, and a public benefit entity.

The financial statements have been prepared in sterling, which is the functional currency of the Union. Monetary amounts of these financial statements are rounded to the nearest thousand pounds.

GOING CONCERN

The Trustees consider that there are no material uncertainties about the Union's ability to continue as a going concern.

INVESTMENT INCOME

Income from the Fund's investments is accounted for on an accruals basis.

ACCOUNTING POLICIES

YEAR ENDED 31 DECEMBER 2017

JUDGEMENTS AND KEY SOURCES OF ESTIMATION

In the application of its accounting policies, the Fund is required to makes judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. All significant estimates and underlying assumptions are reviewed on an ongoing basis and the relevant carrying amounts of assets and liabilities are revised to reflect any changes.

As at 31 December 2017 the carrying amounts of the following assets and liabilities were subject to judgement or to estimation uncertainty:

It is the Fund's judgement that reliable estimates of the fair value of its unlisted investments, as included in note 3 to the accounts, are not available. As a result, unlisted investments are measured on historic cost basis.

EXPENDITURE

All expenditure in the accounts is inclusive of VAT where applicable.

TAXATION

Corporation tax is payable on interest income and chargeable gains arising on the disposal of properties and investments.

DEFERRED TAXATION

Deferred tax liabilities arise in relation to the difference between the fair value of investments and their original cost less any indexation applicable.

Deferred tax is calculated at the tax rates that are expected to apply in the period where the liability is settled or the asset is realised. Deferred tax is charged or credited in the income and expenditure account.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash in hand and deposits held at call with banks.

ACCOUNTING POLICIES

YEAR ENDED 31 DECEMBER 2017

FINANCIAL INSTRUMENTS

The union has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial assets are recognised in the union's balance sheet when the union becomes party to the contractual provisions of the instrument.

Financial assets are classified into specified categories. The classification depends on the nature and purpose of the financial assets and is determined at the time of recognition.

BASIC FINANCIAL ASSETS

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

OTHER FINANCIAL ASSETS

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value recognised in the income and expenditure account, except that investments in equity instruments that are not publically traded and whose fair value cannot be measured reliably are measured at cost less impairment.

IMPAIRMENT OF FINANCIAL ASSETS

Financial assets, other than those held at fair value through income and expenditure account, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. The impairment is recognised in the income and expenditure accounts.

ACCOUNTING POLICIES

YEAR ENDED 31 DECEMBER 2017

BASIC FINANCIAL LIABILITIES

Basic financial liabilities, including trade and other payables, are initially recognised at transaction price unless the arrangement constitutes a financing transaction.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of the activity of the Union from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. Trade payables are initially recognised at transaction price and derecognised when, and only when, the Union's obligations are discharged, cancelled or they expire.

INVESTMENTS

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price (where applicable). The income and expenditure account includes the net gains and losses arising on revaluation and disposals throughout the year. The Union does not acquire put options, derivatives or other complex financial instruments. The main form of financial risk faced by the Union is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

REALISED GAINS AND LOSSES

All gains and losses are taken to the income and expenditure account as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are separated between surplus on investments and change in market value in the income and expenditure account.
