13d. Name	13e. Date (dd/mm/yyyy)	14d. Name	14e. Date (dd/mm/yyyy)

USER/INSTALLER RESPONSIBILITIES

This Certificate does not automatically constitute authority to install the item(s).

Where the user/installer performs work in accordance with Regulations of an Airworthiness Authority different than the Airworthiness Authority specified in block 1, it is essential that the user/installer ensures that their Airworthiness Authority accepts items from the Airworthiness Authority specified in block 1.

Statements in blocks 13a and 14a do not constitute installation certification. In all cases Air System Maintenance records must contain an installation certification issued in accordance with the applicable Regulations by the user/installer before the Air System may be flown.
