

Permitting decisions

Surrender

We have decided to accept the surrender of the permit for Sharpness IVC operated by New Earth Solutions (Gloucestershire) Limited.

The permit number is EPR/FP3490SY/S006.

We are satisfied that the necessary measures have been taken to avoid any pollution risk and to return the site to a satisfactory state. We consider in reaching that decision we have taken into account all relevant considerations and legal requirements.

Purpose of this document

This decision document provides a record of the decision making process. It summarises the decision making process in the decision checklist to show how all relevant factors have been taken in to account. Unless the decision document specifies otherwise we have accepted the applicant's proposals. Read the permitting decisions in conjunction with the site condition evaluation report template. The introductory note summarises what the notice covers.

	<p>the guidance issued under section 110 of that Act in deciding whether to grant this permit surrender. Paragraph 1.3 of the guidance says:</p> <p>“The primary role of regulators, in delivering regulation, is to achieve the regulatory outcomes for which they are responsible. For a number of regulators, these regulatory outcomes include an explicit reference to development or growth. The growth duty establishes economic growth as a factor that all specified regulators should have regard to, alongside the delivery of the protections set out in the relevant legislation.”</p>
