23 June 2017

Thank you for your email of 13 June 2017 in which you requested the following information:

Would you please be able to provide information on the following:

1. Do Soldiers in different countries receive different amounts of Local Overseas Allowance?
2. If so, what are the rates (unaccompanied and accompanied) for the following areas:
  - a. Germany?
  - b. Canada?
  - c. Eastern Europe (Estonia and Poland)?
  - d. Africa (Sierra Leone, Kenya and South Africa)?
  - e. Cyprus?
  - f. Gibraltar?

I am treating your correspondence as a request for information under the Freedom of Information Act (FOIA). Following a search of our records, I can confirm that the MOD does hold some information within the scope of your request

In answering your first question I can confirm Service personnel serving in different Local Overseas Allowance (LOA) locations/countries receive different amounts of LOA rates. The rates can also vary depending on whether the Service person is serving unaccompanied, accompanied, temporarily, on exercise and for various other reasons. LOA is paid for Main Stations and Small Stations.

Main Stations LOA is paid where there are more than 20 personnel permanently assigned. Small Stations LOA is paid where there are less than 20 permanently assigned personnel.

The tables provided below in annexes A to L list the rates (unaccompanied and accompanied) for the countries you have requested.

Under section 16 of the FOIA (Advice and Assistance) you may wish to know the aim of LOA is to contribute towards the necessary additional local cost of day-to-day living, when Service Personnel (SP) are required to serve overseas.

LOA is a non-taxable allowance which recognises the amount by which average essential expenditure on living in a particular overseas location differs from that in the UK, where appropriate taking into account the differences in the local lifestyle.

Further information on LOA can be found in the Joint Service Publication 752, Part 2, Chapter 6 Section 4 which can be accessed through the link below:

<https://www.gov.uk/government/publications/tri-service-regulations-for-expenses-and-allowancesjsp-752>

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance Team, Ground Floor, Zone D, MOD Main Building, Whitehall, SW1A 2HB (e-mail [CIO-FOI-IR@mod.uk](mailto:CIO-FOI-IR@mod.uk)). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.org.uk>.

Yours sincerely,

Defence People Secretariat
