

STATUTORY DIRECTION TO NORTHAMPTONSHIRE COUNTY COUNCIL IN RELATION TO CHILDREN'S SERVICES UNDER SECTION 497A (4B) OF THE EDUCATION ACT 1996

WHEREAS:

1. The Secretary of State for Education (“the Secretary of State”) has noted in respect of Northamptonshire County Council (“the Council”) that performance of children’s social care services has significantly deteriorated, as detailed in Ofsted’s letter dated 13 November 2018 following a focussed visit carried out on 17 and 18 October 2018 (“The 2018 Ofsted letter”).
2. On 10 May 2018, the Secretary of State for Housing, Communities and Local Government issued Directions to the Council (“The MHCLG Directions”) under section 15 (5) and (6) of the Local Government Act 1999 (“the 1999 Act”). These Directions followed the Report dated 15 March 2018 of the Best Value Inspection of the Council by Max Caller CBE published and given to the Authority on 15 March 2018. The MHCLG Directions provided for Commissioners appointed by the Secretary of State for Housing, Communities and Local Government (“The MHCLG Commissioners”) to exercise functions of the Council associated with governance and scrutiny, appointment of statutory officers and strategic financial management.
3. The Secretary of State has carefully considered:
 - a. The 2018 Ofsted letter, which found that Services has significantly deteriorated since inspection in 2016 and issued two areas for priority action around workforce capacity; and case allocation and progression;
 - b. The history of children’s social care performance in Northamptonshire, including:
 - i. Ofsted’s report of April 2016 following inspection under the single inspection framework on 8 February to 10 March 2016, which found children’s social care services to be ‘requires improvement’ overall, and across every category;
 - ii. Ofsted’s report of August 2013 following inspection of services for looked after children on 15 July 2013, which found that services for looked after children were ‘inadequate’ overall, and ‘inadequate’ across every category;
 - iii. Ofsted’s report of May 2013 following inspection of adoption services on 22 March 2013, which found that adoption services were ‘inadequate’ overall. Outcomes for children and young people were ‘inadequate’. The quality of the service was ‘inadequate’. Leadership and management was ‘inadequate’. Safeguarding children and young people was ‘adequate’.
 - iv. Ofsted’s report of March 2013 following inspection of the arrangements for the protection of children on 25 to 29 February 2013, which found that arrangements to protect children in

Northamptonshire were inadequate overall, and across every category.

- v. The decision following these 2013 reports to issue a statutory direction on 2 October 2013 requiring the council to take various actions to secure improvement of children's services.
 - c. The letter of 2 November 2018 from the MHCLG Commissioners, which set out a number of concerns about the performance of children's services and requested additional capacity for the Commissioner team to provide oversight of the operation of children's services.
4. The Secretary of State is therefore satisfied that the Council is failing to perform to an adequate standard some or all of the functions to which section 497A of the Education Act 1996 ("the 1996 Act") is applied by section 50 of the Children Act 2004 ("children's social care functions"), namely:
 - a. social services functions, as defined in the Local Authority Social Services Act 1970, so far as those functions relate to children;
 - b. the functions conferred on the Council under sections 23C to 24D of the Children Act 1989 (so far as not falling within paragraph a. above); and
 - c. the functions conferred on the Council under sections 10, 12, 12C, 12D and 17A of the Children Act 2004.
 5. The Secretary of State has appointed Malcolm Newsam CBE as Commissioner for Children's Services in Northamptonshire ("the Children's Services Commissioner") in accordance with, and for the purposes of, the terms of reference ("the Terms of Reference") set out in the Annex to this direction.
 6. Lincolnshire County Council has been appointed as the Department for Education's improvement adviser.
 7. The Secretary of State, having considered representations made by the Council, considers it expedient, in accordance with his powers under section 497A(4B) of the Education Act 1996, to direct the Council as set out below in order to ensure that all of the Council's children's social care functions are performed to an adequate standard.
 8. NOW THEREFORE:
 9. Pursuant to his powers under section 497A(4B) of the Education Act 1996 Act, the Secretary of State directs the Council as follows:
 - a. To comply with any instructions of the Secretary of State or the Children's Services Commissioner in relation to the improvement of the Council's exercise of its children's social care functions and provide such assistance as either the Secretary of State or the Children's Services Commissioner may require;
 - b. To co-operate with the Children's Services Commissioner, including on request allowing the Children's Services Commissioner at all reasonable times access to:

- i. any premises of the Council;
- ii. any document of, or relating to, the Council; and
- iii. any employee or member of the Council,

which appear to him to be necessary for achieving the purposes of, and carrying out the responsibilities set out in the Terms of Reference;
