AUTHORIZED AMENDMENT

Note to provide a summary/overview of the amendment and to explain/ensure that the reader understands: the rationale for the amendment; the major changes; and, importantly, the full context (including desired outcome) of the amendment.

The input here should be your 'one minute' to explain what, why and how.

The amendment incorporates outstanding Requests For Change and updates: references, terms, permissive verbs, abbreviations, email addresses, and obsolete phrases.

The objective of the RA 1000 Series Coherence Review was to conduct post-implementation reviews of all RAs to ensure the publication/amendment resulted in a positive outcome; and to make sure that the MAA addresses incoherence and attains standardization across the whole MAA Regulatory Publications (MRP) set.
