## INFORMATION AND ADVICE for all Class and General Licences

### General Information

- a. Ordinarily, licences will be reissued on 1 January each year (*NB you do not need to re-register for those with registration requirements*). Please note, however, that they can be modified or revoked at any time by Natural England or the Secretary of State, but this will not be done unless there are good reasons for doing so. You are advised to check the terms and conditions of a licence prior to your first use of it each year in case of amendments.
- b. No person convicted on or after 1 January 2010 of an offence under the Conservation of Habitats and Species Regulations 2017, the Wildlife and Countryside Act 1981, the Protection of Badgers Act 1992, the Deer Act 1991, the Hunting Act 2004, the Wild Mammals (Protection) Act 1996, the Animal Welfare Act 2006 or the Protection of Animals Act 1911 (all as amended) may use this licence without the permission of Natural England unless, in respect of that offence, either:
  - i. they are a rehabilitated person for the purposes of the Rehabilitation of Offenders Act 1974 and their conviction is treated as spent; or
  - ii. a court has made an order discharging them absolutely.

Any request to use the licence by a person to whom this note applies will be considered on its merits.

- c. Persons acting under a licence should have regard to legislation and good practice relevant to the action(s) undertaken, including animal welfare and the Animal Welfare Act 2006. It is an offence to cause any unnecessary suffering to an animal (including birds) under the control of man (section 4 of the 2006 Act). This applies to the humane despatch of captured animals and the treatment of animals held in traps or nets, including decoy birds and non-target animals. For advice on the relevance of the 2006 Act to wildlife management please refer to the Natural England leaflet '[The Animal Welfare Act 2006: what it means for wildlife](#)' (TIN072).

- f. Unless otherwise stated the provisions of Natural England licences only apply landward of the mean low water mark in England. The Marine Management Organisation is responsible for all licensing seaward of the mean low water mark.

- g. Natural England has issued this licence in exercise of the powers conferred by the 1981 Act. Visit [Legislation.gov.uk](#) to view the full text of this legislation.
