

SUMMARY OF TOPICS DISCUSSED AT THE DEVICES EXPERT ADVISORY COMMITTEE MEETING HELD ON 7TH JUNE 2018

Information is being withheld, under Section 43 of the Freedom of Information Act 2000, on the grounds that information regarding the issue under consideration and advice from the DEAC remains confidential at the date of this summary and will remain so until a final decision has been taken. There is no overriding public interest to release such information in advance of the regulatory process being completed. Any request for future information should be made direct to the MHRA (via info@mhra.gov.uk) and will be considered in accordance with the FOI Act.

The Devices Expert Advisory Committee (DEAC) discussed the following agenda items:

- Fire risk of emollients – NIHR communication
- Discussion about the roles and responsibilities of DEAC based on the current Terms of Reference
- Revisions to the current Terms of Reference
- DEAC oversight of the Devices-CPRD study
- MHRA Strategic and Policy issues
- Expert Advisory Group updates on Urogynaecology, Labelling, Orthopaedics, Plastic Reconstructive, Aesthetic surgery and Leadless Pacemakers.
