## How to fill in this application form

Please complete this form in **BLOCK CAPITALS**.

### Section 1.

Fill in your name, full address including postcode, telephone number and email address (optional).

### Section 2.

Write in figures in the boxes provided the number of certificates you require.

### Information shown on the certificate:

The certificate shows all the information contained in the civil partnership record, including the addresses for the civil partners at the time the civil partnership was registered.

### Information needed:

The names of both civil partners, the date and the place where their civil partnership was registered should be provided.

For a certificate to be issued, the details provided must also include the full addresses of both civil partners at the time their civil partnership was registered.

If the full addresses of both civil partners cannot be provided, an application may be made to the Registrar General. The Registrar General may authorise the issue of a full certificate if satisfied that it would be reasonable to do so.

### Section 3.

Tick the appropriate box overleaf if you are applying for a copy of your own certificate.

### Section 4.

The more details of the civil partnership you supply the better chance we will have of identifying the correct record.

### Section 5.

The name and delivery address written in this box will be used on an address label to send your certificates. Please use **BLOCK CAPITALS**.

### Section 6.

Complete the card details if you are paying by a credit or debit card. It is not necessary to complete this section if applying by cheque/postal order. Please see the separate fees list for the current cost of certificates.
