The Report sets out the Secretary of State's determination, made under paragraph 4 of Schedule 7B to the 1988 Act, of the percentage of the authority's non-domestic rating income that is to be the billing authority's central share and the percentage that is to be the billing authority's local share for each billing authority\(^2\) in England for the financial year 2019/2020.

1.3. The Report sets out the Secretary of State's determination to pay revenue support grant ("Revenue Support Grant"): the total amount of the grant, the amount of the grant he proposes to pay to receiving authorities\(^3\), and the amount of the grant he proposes to pay to the specified body\(^4\), for the financial year 2019/2020 in accordance with section 78 of the 1988 Act\(^5\).

Before making this Report the Secretary of State also notified such representatives of the general nature of the basis of calculation of the distribution of Revenue Support Grant\(^7\) and of the general nature of the basis of calculation of tariff and top-up payments\(^8\) (as referred to in para 1.6).

1.6. The Report sets out the basis on which the Secretary of State proposes to calculate authorities' Baseline Funding Level as well as which authorities are to receive payments (referred to in this Report as “top-up” payments) and which authorities are to make payments (referred to in this Report as “tariff” payments) and the amount of such payments, under Part 5 of Schedule 7B to the 1988 Act.
