Introduction

About this document

This document (highlighted in the figure below) is part of a suite of documents which sets out the regulatory requirements for awarding organisations offering GCSE qualifications (graded from 9 to 1).

We have developed these requirements with the intention that GCSE qualifications (graded from 9 to 1) should fulfil the following purposes:

- To provide evidence of students' achievements against demanding and fulfilling content;
- To provide a strong foundation for further academic and vocational study and for employment; and
- To provide (if required) a basis for schools and colleges to be held accountable for the performance of all of their students.

Requirements set out in this document

This document sets out the GCSE Subject Level Conditions for Dance. These conditions will come into effect at 12.01am on Tuesday 29 January 2019 for all GCSE qualifications (graded from 9 to 1) in Dance awarded on or after 1 April 2019.

It also sets out our requirements in relation to:

- assessment objectives – awarding organisations must comply with these requirements under Condition GCSE(Dance)1.2; and
- assessment – awarding organisations must comply with these requirements under Condition GCSE(Dance)2.3.

Appendix 1 reproduces the requirements in relation to subject content for GCSE Dance,¹ as published by the Department for Education. Awarding organisations must comply with these requirements under Condition GCSE(Dance)1.1.

With respect to all GCSE Qualifications (graded from 9 to 1) in Dance, awarding organisations must also comply with:

- our *General Conditions of Recognition*,² which apply to all awarding organisations and qualifications;
- our *GCSE Qualification Level Conditions*;³ and
- all relevant Regulatory Documents.⁴

Revisions to this document

The Conditions and requirements in this document were originally published in March 2015. We have subsequently revised those Conditions and requirements (see Appendix 2 for details), most recently in January 2019.

The January 2019 version of this document replaces all previous versions of *GCSE Subject Level Conditions and Requirements for Dance* with effect from 12.01am on 29 January 2019.

Assessment requirements

Requirements in relation to assessments for GCSE Qualifications in Dance

Condition GCSE(Dance)2.3 allows us to specify requirements and guidance in relation to assessments which are not Assessments by Examination for GCSE Qualifications in Dance.

We set out our requirements for the purposes of Condition GCSE(Dance)2.3 below.

Forms of non-examination assessment

Condition GCSE(Dance)2.2(b) states that an awarding organisation must ensure that of the total marks available for a GCSE Qualification in Dance, 60 per cent of those marks shall be made available through assessments set by the awarding organisation which are not Assessments by Examination.

In respect of that 60 per cent, an awarding organisation must ensure that –

- (a) 30 per cent of the total marks available for the qualification are made available through a task which assesses a Learner's knowledge, skills and understanding in relation to performance (the 'Performance Assessment'), and
- (b) 30 per cent of the total marks available for the qualification are made available through a task which assesses a Learner's knowledge, skills and understanding in relation to choreography (the 'Choreography Assessment').

The Performance Assessment

An awarding organisation must ensure that each Performance Assessment is designed and set to –

- (a) require each Learner to perform one or more dances, with a combined duration of at least three minutes and 30 seconds,
- (b) be taken under conditions specified by the awarding organisation, including, in particular, conditions which ensure that the evidence generated by each Learner can be Authenticated, and
- (c) assess assessment objective AO1 in its entirety.

In respect of each Performance Assessment, an awarding organisation must ensure that the Centre which delivered the assessment provides the awarding organisation with a complete and unedited audiovisual recording of the evidence generated in that assessment. That recording must be made from the perspective of the audience.

The Choreography Assessment

An awarding organisation must ensure that each Choreography Assessment is designed and set to –

- (a) require each Learner to choreograph either a complete solo dance of at least two minutes in duration or a complete group dance of at least three minutes in duration,

- (b) require each Learner to explain his or her choreographic intent with respect to his or her dance and how that choreographic intent was developed,
- (c) be taken under conditions specified by the awarding organisation, including, in particular, conditions which ensure that the evidence generated by each Learner can be Authenticated, and
- (d) assess assessment objective AO2 in its entirety.

An awarding organisation must not communicate the task that it has set for the Choreography Assessment to Centres before 1 September in the academic year in which the assessment is to be taken.

In respect of each Choreography Assessment, an awarding organisation must ensure that the Centre which delivered the assessment provides the awarding organisation with a complete and unedited audiovisual recording of the dance choreographed by the Learner. That recording must be made from the perspective of the audience.

A Learner does not have to perform the dance which he or she has choreographed.

Marking of assessments

Evidence generated by a Learner in an assessment for a GCSE Qualification in Dance which is not an Assessment by Examination may be marked –

- (a) by the awarding organisation or a person connected to the awarding organisation,
- (b) by a Centre, or
- (c) through a combination of (a) and (b).

In any event, the awarding organisation must demonstrate to Ofqual's satisfaction in its assessment strategy that –

- (a) it has taken all reasonable steps to identify the risk of any Adverse Effect which may result from its approach to marking the assessments (and to moderation where appropriate), and
- (b) where such a risk is identified, it has taken all reasonable steps to prevent that Adverse Effect or, where it cannot be prevented, to mitigate that Adverse Effect.
