**AGREEMENT BETWEEN THE UNITED KINGDOM OF GREAT
BRITAIN AND NORTHERN IRELAND AND THE UNITED STATES OF
AMERICA ON TRADE IN WINE**

The United Kingdom of Great Britain and Northern Ireland, hereafter ‘the UK’, and the United States of America, hereafter ‘the United States’, hereafter referred to jointly as ‘the Parties’,

Recognising that the Parties desire to establish closer links in the wine sector,

Determined to foster the development of trade in wine within the framework of increased mutual understanding,

Resolved to provide a harmonious environment for addressing wine trade issues between the Parties,

Desiring to facilitate trade in wine between the Parties and to improve cooperation in the development and enhance the transparency of regulations affecting such trade,

Resolved to lay the foundation for broad agreement on trade in wine between the Parties and to provide a framework for continued negotiations in the wine sector.

Have agreed as follows:

TITLE I

INITIAL PROVISIONS

ARTICLE 1

Definitions

For the purposes of this Agreement:

- (a) ‘wine-making practice’ means a process, treatment, technique or material used to produce wine;
- (b) ‘COLA’ means a Certificate of Label Approval or a Certificate of Exemption from Label Approval that results from an approved Application for and Certification/Exemption of Label/Bottle Approval, as required under US federal laws and regulations and issued by the US Government that includes a set of all labels approved to be firmly affixed to a bottle of wine;

- (c) 'originating' when used in conjunction with the name of one of the Parties in respect of wine imported into the territory of the other Party means the wine has been produced in accordance with either Party's laws, regulations and requirements from grapes wholly obtained in the territory of the Party concerned;
- (d) 'WTO Agreement' means the Marrakesh Agreement establishing the World Trade Organisation, done on 15 April 1994.

ARTICLE 2

Scope and Coverage

1. For the purposes of this Agreement, the term 'wine' shall cover beverages obtained exclusively from the total or partial alcoholic fermentation of fresh grapes, whether or not crushed, or of grape must, with the possible addition of any constituent parts of fresh grapes authorised in the producing Party, in accordance with wine-making practices authorised under the regulatory mechanisms of the Party in whose territory the wine is produced, which:

- a) Contains an actual alcohol content of not less than 7 percent (7 %) and not more than 22 percent (22 %) by volume; and
- b) Contains no artificial coloring, flavoring or added water beyond technical necessity.

2. Measures taken by either Party for the protection of human health and safety are outside the scope of this Agreement.

TITLE II

WINE-MAKING PRACTICES AND SPECIFICATIONS

ARTICLE 3

Present Wine-Making Practices and Specifications

1. Each Party recognises that the laws, regulations and requirements of the other Party relating to wine-making fulfil the objectives of its own laws, regulations and requirements, in that they authorise wine-making practices that do not change the character of wine arising from its origin in the grapes in a manner inconsistent with good wine-making practices. These practices include such practices that address the reasonable technological or practical need to enhance the keeping or other qualities or stability of the wine and that achieve the winemaker's desired effect, including with respect to not creating an erroneous impression about the product's character and composition.
2. Within the scope of this Agreement as defined in Article 2, neither Party shall restrict, on the basis of either wine-making practices or product specifications, the importation, marketing or sale of wine originating in the territory of the other Party that is produced using wine-making practices that are authorised under laws, regulations and requirements of the other Party listed in Annex I and published or communicated to it by that other Party.

ARTICLE 4

New Wine-Making Practices and Specifications

1. If a Party proposes to authorise for commercial use in its territory a new wine-making practice or modify an existing wine-making practice authorised under the laws, regulations and requirements listed in Annex I, and it intends to propose the inclusion of the practice among those authorised in the Annex I documents, it shall provide public notice and specific notice to the other Party and provide a reasonable opportunity for comment and to have those comments considered.
2. If the new wine-making practice or modification referred to in paragraph 1 is authorised, the authorising Party shall notify the other Party in writing of that authorisation within 60 days.
3. A Party may, within 90 days of receiving the notification provided for in paragraph 2, object in writing to the authorised wine-making practice, on the grounds that it is inconsistent with the objectives referred to in Article 3(1) or the criteria set out in Article 2(1), and request consultations pursuant to Article 9 concerning this wine-making practice.

4. The Parties shall amend Annex I, as provided for in Article 9, as necessary to cover any new winemaking practice or modification that has not been subject to objections pursuant to paragraph 3 or for which the Parties have reached a mutually agreed solution following consultations provided for in paragraph 3.

TITLE III
SPECIFIC PROVISIONS

ARTICLE 5

Names of Origin

1. The United States shall provide that certain names may be used as names of origin for wine only to designate wines of the origin indicated by such a name, and shall include, among such names, those listed in Annex III, Part A and Part B.
2. The UK shall provide that the names of viticultural significance listed in Annex IV may be used as names of origin for wine only to designate wines of the origin indicated by such name.
3. Each Party's competent authorities shall take measures to ensure that any wine not labelled in conformity with this Article is not placed on or is withdrawn from the market until it is labelled in conformity with this Article.

ARTICLE 6

Wine Labelling

1. Each Party shall provide that labels of wine sold in its territory shall not contain false or misleading information in particular as to character, composition or origin.
2. Each Party shall provide that, subject to paragraph 1, wine may be labelled with optional particulars or additional information in accordance with the Protocol on Wine Labelling (hereinafter 'the Protocol').
3. Neither Party shall require that processes, treatments or techniques used in wine-making be identified on the label.

ARTICLE 7

Wine Certification and other Marketing Conditions

1. The UK shall permit wine originating in the United States to be imported into, marketed and sold in the UK if it is accompanied by a certification document, the format and required information for which are specified in Annex II(a).

2. The UK shall permit the information on the document referenced in paragraph 1, excluding the producer's signature, to be pre-printed. The UK shall permit the document to be submitted electronically to its competent authority.
3. The United States shall ensure that decisions to approve or disapprove a COLA are consistent with published criteria and subject to review. The format and required information for the COLA application form are referenced in Annex II(b).
4. The United States shall permit the information on the application form referenced in paragraph 3, excluding the applicant's signature, to be pre-printed and transmitted electronically.
5. Each Party may modify its respective form, referred to in paragraphs 1 and 3, in accordance with its internal procedures, in which case the Party concerned shall give due notice to the other Party. The Parties shall amend Annex II, as necessary, in accordance with the procedure laid down in Article 9.
6. This Agreement does not require certification that the practices and procedures used to produce wine in the UK constitute proper cellar treatment within the meaning of Section 2002 of US Public Law 108-429.

TITLE IV

FINAL PROVISIONS

ARTICLE 8

Discussions and Information Exchange

1. The Parties may discuss priority areas of mutual interest for future work and new initiatives to further facilitate trade in wine between the Parties.
2. The Parties may exchange information to develop common approaches regarding matters relating to trade in wine under discussion in regional, plurilateral and multilateral bodies or systems.
3. With a view to facilitating discussions, the Parties may establish one or more specific dialogues between officials to address issues of concern in bilateral trade in wine.

ARTICLE 9

Management of the Agreement and Cooperation

1. The Parties shall maintain contact on all matters relating to bilateral trade in wine and the implementation and the functioning of this Agreement. In particular, each Party shall, if requested, cooperate in assisting the other Party to make available to the other Party's producers information concerning specific limits on contaminants and residues in effect in the territory of the first Party.
2. Each Party shall notify the other Party in a timely manner of proposed amendments to its labelling rules and, except for minor amendments that do not affect labelling for the wine of the other Party, allow for a reasonable period of time for the other Party to comment.
3. Either Party may notify the other Party in writing of:
 - (a) a request for a meeting or consultations between representatives of the Parties to discuss any matter relating to the implementation of the Agreement, including consultations with respect to new wine-making practices foreseen under Article 4;

- (c) legislative measures, administrative measures and judicial decisions concerning the application of this Agreement;
- (d) information or suggestions intended to optimise the operation of the Agreement; and
- (e) recommendations and proposals on issues of mutual interest to the Parties.

4. A Party shall respond within a reasonable period, which shall not exceed 60 days from receipt, to a notification under paragraph 3(a), (b), (d) or (e). However, following a request for consultations under paragraph 3(a), the Parties shall meet within 30 days unless the Parties agree otherwise.

5. An amendment to an Annex or the Protocol, including its appendices, to this Agreement shall take effect on the first day of the month following receipt of a written response, pursuant to a notification by one Party under paragraph 3(b), of the amended text of the Annex or the Protocol, including its appendices, concerned, confirming the other Party's agreement with the amended text or on a particular date that the Parties shall specify.

6. Each Party shall provide all notices, requests, responses, proposals, recommendations and other communications under this Agreement to the contact point for the other Party in Annex V. Each Party shall notify changes in its contact point in a timely manner.

7. (a) Each Party and interested persons of that Party may:
- (i) address inquiries regarding matters arising from Titles I, II and III of the Agreement, including the Protocol; and
 - (ii) present information concerning actions that may be inconsistent with the obligations of those Titles to the contact point of the other Party as identified in Annex V.
- (b) Each Party shall, through its contact point:
- (i) ensure that action is taken to examine the matter and to respond to the inquiry and information presented in a timely manner; and

ARTICLE 10

Relationship to other Instruments and Laws

1. Nothing in this Agreement shall:
 - (a) affect the rights and obligations of the Parties under the WTO Agreement;
 - (b) oblige the Parties to take any measures concerning intellectual property rights that would not otherwise be taken under the Parties' respective intellectual property laws, regulations and procedures, consistent with subparagraph (a).
2. Nothing in this Agreement prevents a Party from taking measures, as appropriate, to allow the use of homonymous names of origin where consumers will not be misled or to allow a person to use, in the course of trade, that person's name or the name of that person's predecessor in business in a manner that does not mislead the consumer.
3. This Agreement is without prejudice to the rights of free speech in the United States under the First Amendment of the US Constitution and in the UK.
4. Article 5 shall not be construed in and of itself as defining intellectual property or as obligating the Parties to confer or recognise any intellectual property rights. Consequently, the names listed in Annex III are not necessarily considered, nor excluded from being considered, geographical indications under US law, and the names listed in Annex IV are not necessarily considered, nor excluded from being considered, geographical indications under UK law.

ARTICLE 11

1. In this Part of the Protocol, ‘United States wine’ refers to wine originating in the United States and exported to, and placed on the market of, the UK under the terms of the Agreement between the United Kingdom of Great Britain and Northern Ireland and the United States of America on Trade in Wine, hereinafter referred to as ‘the Agreement’.

2. Optional particulars are:

- (b) one or more vine variety names;
- (c) a bottling location;
- (d) an award, medal or other reference to a competition;
- (e) a name of a vineyard;
- (f) an indication concerning the method used to produce the wine, subject to Appendix I;
- 2.2. the term ‘Estate Bottled’;
- 2.3. (a) the type of product as specified in Appendix II;
- (b) a name, title and address of a legal or natural person that took part in the marketing of the wine;
- (c) a specific colour. Specific colour does not refer to ‘rosé/pink’, ‘red’ or ‘white’ in English or in translations and applies to all other colours.

3. United States wine may be labelled with the optional particulars under point 2 provided that the optional particulars are used in conformity with all the requirements set down below:

- 3.1. Optional particulars may only be used in conformity with Part 4 of Title 27 of the US Code of Federal Regulations, as amended.

- 3.2. Optional particulars in point 2.2.1 may be used only if the wine also bears a name of origin listed in Annex IV of the Agreement.
- 3.3. The optional particular in point 2.2.2 may be used only if the wine also bears a name of origin listed in Annex IV, Part A of the Agreement.
- 3.4. Wine with or without a name of origin may use the optional particulars in point 2.2.3.
- 3.5. Except as provided for in this Protocol, the optional particulars may not include terms that are the same as names of origin protected in the UK as listed in Annex III of the Agreement.
- 3.6. With respect to the use of vine variety names as optional particulars:
 - (a) vine variety names that may be used as optional particulars are those listed in Appendix III. This provision is without prejudice to the use of other vine variety names, whether or not listed in Appendix III, permitted under UK regulations and, in particular, Commission Regulation (EC) No 753/2002, as amended.
 - (b) Upon request by the United States, the Parties shall modify Appendix III to include any vine variety that has been notified by the United States to the UK, unless the UK informs the United States within 60 days of the date of receipt of the notification that the use of this vine variety name is not permitted under UK regulations and, in particular, Commission Regulation (EC) No 753/2002, as amended.
 - (b) subparagraph (b) is without prejudice to the ability of the Parties to amend Appendix III under Article 9 of the Agreement where there has been no notification under subparagraph (b).
- 3.7. With respect to the optional particulars in point 2.2.1(b), the label may indicate:

 - (b) the names of two or more vine varieties, provided that 100 percent (100 %) of the grapes used, after adjusting for the quantity of grapes used for sweetening, are of the varieties indicated, although four or more vine variety names may only be mentioned on the back label.

4. Wine originating in the United States, as defined in Article 1(c) of the Agreement, may be labelled with a state or county name of origin listed in Parts B and C of Annex IV provided that at least 75 percent (75 %) of the wine concerned is made from grapes harvested in the named place.
