2. BACKGROUND

- 2.1 DIT will, at its discretion, provide support for businesses and other organisations taking part in overseas exhibitions between 1 April 2019 and 31 March 2020. For the purposes of these Terms and Conditions, overseas exhibitions are defined as:
- a) involving the display of products and services on exhibition stands or areas by businesses and other organisations with the objective of attracting commercial interest in those products and services; and
 - b) taking place outside the United Kingdom and being international in terms of representation i.e. involving exhibitors from more than one country; and
 - c) dealing with trade representatives rather than the public; and
 - d) using stand space or an area that is designed for the purpose of an exhibition and not for any additional use not specifically connected to exhibiting.

Alternatively, an eligible event can be:

- e) an overseas commercial conference where the business has paid for the opportunity to promote its goods or services to a trade audience. TAP Eligible Costs for an overseas commercial conference is the amount charged by the conference organiser for attendance or speaking. It can also include the cost of preparing and transporting literature or display items specifically for the conference. Grants cannot be used for events surrounding an exhibition or conference, e.g. a reception or after the exhibition / conference e.g. a trade mission.
- 2.2 The objective of exhibition support is to help Eligible Organisations, UK universities, UK Government funded centres of higher or further learning and UK Government-funded research organisations to learn how to use exhibitions as a key tool in their export development plans. The support is intended to work most efficiently as part of a development programme for eligible businesses and organisations which TAP TCPs and DIT's regional network can help to facilitate.
- 2.3 A central principle of this, and all DIT Grants, is that it should make something happen that would not happen otherwise. From 1 October 2017 each eligible business/organisation is entitled to exhibit overseas with grant support on a total of six (6) occasions, the six (6) being counted from 1 April 2009.
- 2.4 TAP TCPs will help those businesses/organisations approved for a Grant to participate effectively in an exhibition. Participating businesses/organisations are expected to take up any offers of non-chargeable assistance made in this context.
- 2.5 If TAP TCPs charge supported Participants a service or management fee in connection with their participation, the services to be covered in return for the charge must be fully explained and broken down for Participants at the time of recruitment. Such TAP TCP charges should relate to costs wholly distinct from their administration of the Participant's Grant application.
- 2.6 It is expected that Participants will make full use of the services and advice provided by or via the TAP TCP.

- 2.7 With professional advisers across 108 international markets, DIT is the government department that helps UK-based companies succeed in the global economy and assists overseas companies in bringing their high quality investment to the UK

3. ELIGIBILITY TO APPLY FOR A GRANT

- a) A Participant must be a UK* based business or organisation (which includes a UK subsidiary of an overseas company provided that the subsidiary entity is fully registered in the UK) that is either actively investigating export opportunities or is already involved in exporting from the UK. If requested, Participants must provide DIT with supporting documents proving that they comply with this requirement. (*Excluding businesses/organisations based in the Isle of Man or the Channel Islands unless UK registered.)
- b) A Participant must be an Eligible Organisation or a UK university or UK Government funded centre of higher or further learning, or a UK Government-funded research organisation. - c) A Participant must not have exported previously or have exported for no more than 10 years.
- d) The Grants are awarded as de minimis aid in accordance with the De Minimis Aid Regulation, which enables the Participant to receive up to a maximum level of aid without this constituting unlawful state aid. Any Grant a Participant applies for must not result in them breaching the permitted level of aid, which is currently €200,000 per undertaking over three (3) consecutive Fiscal Years.
- e) The Participant acknowledges and accepts that the de minimis limit comprises the total amount of de minimis aid the Participant may receive from the state over three (3) consecutive Fiscal Years. That aid will include aid relating to other programmes, aid provided by other public authorities and their agents, and aid other than grants (for instance, foregone interest on loans).
- f) The award of the Grant will be conditional upon the Participant's compliance with all the relevant conditions for the De Minimis Aid Regulation and the Participant providing the TAP TCP with the De Minimis Aid Declaration Form confirming how much de minimis state aid, if any, it has received in the previous two (2) year fiscal period. For the purposes of the De Minimis Aid Declaration Form:
 - 1.the Fiscal Year is the Fiscal Year used by its business; and
 - 2.de minimis aid is aid granted to a single undertaking, which may include legal entities separate to the Participant (such as current or former subsidiaries).
- g) The Participant acknowledges that it is the Participant's responsibility to read the De Minimis Aid Regulation in its entirety and seek advice (including legal advice) on its application to the Participant's business if appropriate.

- h) Applicants who produce agricultural goods (e.g. crops or vegetables) should complete the alternative version of the Exhibitor Grant Application Form designed to cover businesses in this category.
- i) A Participant must not receive any other contributions towards TAP Eligible Costs in relation to participation at the exhibition / event named in Section 1 of the Exhibitor Grant Application Form. DIT may refer any Participant to the police should it dishonestly and intentionally obtain other contributions towards TAP Eligible Costs.
- j) A Participant must not have been fully committed to attend the exhibition / event prior to seeking a DIT Grant in respect of that exhibition / event.
- k) A Participant must demonstrate that they:
- are selling products or services originating substantially in the UK; or
 - are adding significant value to a product or service of non-UK origin and fulfil the requirements set out in clause 4 c); or
 - are enhancing their competitiveness and providing tangible economic benefit to the UK from this trade development activity.
- l) Since 1 April 2009 a Participant must not have received, been offered or have a pending application for more than five (5) Grants under these and previous versions of these Terms and Conditions prior to the Grant currently being applied for.
- 3.2 A Participant is expected to take up any non-chargeable offers of assistance made by the TAP TCP that are intended to be complementary to the offer of trade show support.
- 3.3 If the TAP TCP is a membership based organisation, there is no requirement for Participants to become a member to take part in TAP.
- 3.4 Participants will be ineligible for Grants if they do not own the brand they are selling and the brand owner either already exports to the market concerned or withholds permission to export to that market.
- 3.5 At DIT, diversity and inclusion underpins DIT's culture in supporting the values of respecting difference. Whether it is DIT's employees or DIT's external stakeholders, DIT seeks to empower everyone to feel included. DIT is committed to seeking to provide assistance to people with disabilities or long-term health conditions to undertake business overseas. Applicants should raise any concerns in this respect directly with their TAP TCP. Any such issues should be raised no later than eight (8) weeks prior to the event start date.
- 3.6 Payment of a Grant is discretionary and shall be the limit of DIT's financial liability to the Participant in respect of the exhibition / event named at Section 1 of the Exhibitor Application Grant Form. DIT accepts no liability for any consequences, whether direct or indirect, that may come about from the use of the Grant or from withdrawal, withholding or suspension of the Grant.

5. CLAIMING THE GRANT

- 5.1 The TAP TCP will claim a Grant on behalf of the Participant at the rates which will be pre-agreed between DIT and the TAP TCP.

5.5 Once the TAP TCP has claimed the Grants on behalf of Participants the TAP TCP will be responsible for distributing the Grants to Participants within three (3) weeks of the TAP TCP's receipt of the Participant's Grant from DIT. DIT shall have no liability to any Participant for any losses caused by a delay in the payment of a Grant howsoever arising.

5.6 The Participant may arrange with the TAP TCP for any amount owed to the TAP TCP, solely related to the exhibition / event named at Section 1 of the Exhibitor Grant Application Form, to be deducted from the Grant. The TAP TCP is not allowed to pay any part of a Participant's Grant to a Third Party and must not have charged the Participant for anything other than costs directly related to the Participant's supported participation at the exhibition / event as explained at the time of recruitment in accordance with clause 2.5.
