

# Moderation and Verification

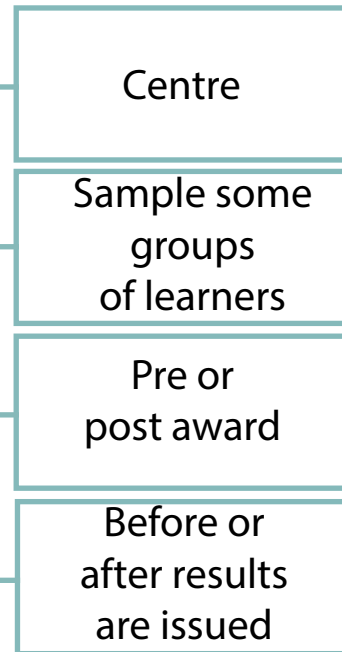

of centre assessment judgements

## Comparison of the two approaches

### Moderation

### Verification

May be used in qualifications that are...

sessional,  
results aren't  
immediately required

on demand,  
results are  
immediately required

## Awarding organisation controls include:

1. Centre approval
2. Centre agreement
3. Centre training
4. Centre monitoring
5. Reviews of learner work
6. Adjustment of centre marking

## Factors influencing awarding organisation controls include:

1. Purpose and use of qualification
2. Nature of assessment and evidence produced
3. Experience of centre in delivering qualifications
4. When results are required
