You will within 10 Business Days of the relevant KPI failure supply us with a first draft action plan setting out the nature and circumstances of the failure together with the actions you have taken or will undertake (at your cost) to rectify the failings (in reasonable detail and with implementation timescales). We will review such action plan and acting reasonably, either:

4. If in the 3 Month period following your implementation of the action plan a further failure of the same KPI occurs or the same failure occurs in any 3 Months over a 9 Month period then this shall amount to a material breach of this Contract and shall entitle us to apply any Sanction referred to in Clause 24 of the Standard Terms.
