### Prior attainment levels

Version 1: Published March 2019. **Changes from 2018 to 2019 are highlighted in yellow.**

The information shown in the table below provides a guide to the overall attainment level of learners that have achieved various combinations of qualifications. The levels shown do not necessarily coincide with the level at which individual qualifications are set. For example, GCSEs are at level 1/2, but the level of attainment achieved by a learner is dependent on the grade they achieve. Where a learner attains a grade D-G this would be considered a level 1.

For learners who started on or after 1st August 2013, the prior attainment must be recorded using the current Ofqual Regulated Qualifications Framework for levels 4 and above. Learners whose prior attainment was recorded prior to 1st August 2013 can continue to use the National Qualification Framework codes for levels 4 and 5+.

The guidance has been updated to reflect the introduction of the [Regulated Qualification Framework \(RQF\)](#) from the 1 October 2015 and the decoupling of AS Levels from A Levels from September 2015.
