

Application for a registration certificate or residence card as the extended family member of a European Economic Area (EEA) or Swiss national

This form is to be used for applications made on or after 14 March 2019

Any further reference on this form to 'EEA nationals' includes Swiss nationals.

Who this form is for

You may be able to apply online at <https://visas-immigration.service.gov.uk/product/eea-qp>. Use this application form if you are unable to apply online and you wish to apply for a registration certificate (if you're an EEA national) or a residence card (if you're a non-EEA national) as the extended family member of a relevant EEA national.

'Relevant EEA national' means an EEA national who is in the UK as a 'qualified person' (worker, jobseeker, self-employed or self-sufficient person, or a student) or has a permanent right of residence in the UK.

You're an 'extended' family member of the relevant EEA national if you are:

- their partner (but not their spouse or civil partner) and in a durable (lasting) relationship with them
- their relative but not their child, grandchild, parent or grandparent (but see below)

Eligible relatives include siblings, aunts, uncles, nephews, nieces, or cousins. If the relevant EEA national only has a right to reside as a student, you can use this form to apply if you're their grandchild, parent or grandparent and you meet the conditions below.

'Relative of the relevant EEA national' includes a relative of the spouse or civil partner of the EEA national in certain circumstances. This is where the relative has held valid residence documentation (an EEA family permit, a registration certificate or registration card) as the relative of the spouse or civil partner of the EEA national sponsor, issued prior to 1 February 2017 and have, since the most recent issue of the document, been continuously resident in the UK.

If you're applying as a relative of the EEA national, you must:

- have been dependent on them, or a member of their household, before you came to the UK, and continue to be dependent on them or be a member of their household or
- strictly require their personal care on serious health grounds

Please do not use this application form if you are the 'extended' family member of a British citizen as there is no provision to issue a registration certificate or a residence card. Please read the guidance on our website for further information.

You will only be considered for a registration certificate or residence card as the extended family member of an EEA national. You will not be considered for anything else. You must use a different form if you want to stay for another reason.

The Home Office will use the personal information you provide to consider your application. We may also share your information with other public and private sector organisations in the UK and overseas. For more detail please see the Privacy Notice for the Border, Immigration and Citizenship system at www.gov.uk/government/publications/personal-information-use-in-borders-immigration-and-citizenship. This also sets out your rights under the Data Protection Act 2018 and explains how you can access your personal information and complain if you have concerns about how we are using it.

The fee

There is a fee of £65 for each person applying. If you do not pay the fee, your application will be invalid and returned to you without consideration. See the payment guidance notes, enclosed with this application for further information.

Only one person can use this form. If there are other extended family members of the relevant EEA national who wish to apply, they must each complete their own application form and pay the fee of £65.

Biometric information for non-EEA nationals

If you are a non-EEA national applying for a residence card, you must give your biometric information (fingerprints and a digital photograph) before your application will be considered. If you do not, we may reject your application.

Please note that your application will be rejected as invalid if you do not pay the specified fee.

- Credit card - Mastercard, Visa (including Electron) or American Express (Amex)
- Debit card - Delta, Maestro* (including Solo)

* Maestro - We can accept only Maestro cards issued in the UK.

Please note that when making large or multiple payments using your credit card, the anti-fraud measures that banks operate sometimes stop the full payment being taken. This can happen for a number of reasons. To prevent this you may inform your bank of your intention to make large or multiple payments in advance so that your bank allows the full payment to be taken when you submit your application. Please be aware that not all banks offer this service.

Cheques and postal orders

You must make the cheque or postal order payable to 'Home Office' and cross the cheque or postal order A/C Payee only. Please write the full name and date of birth of the applicant on the back of the cheque and/or each postal order and keep the postal order receipt(s). Please make sure that the date and the amount (words and figures) are correct and that the cheque is signed properly. Attach your cheque or postal order(s) to the front of the application form.

Completing the payment details page

To ensure that your payment is processed without any delay, please follow this guidance when completing the Payment Details section.

For non-EEA national applicants, and any non-EEA national family members included in the application, you must enrol your biometric data in compliance with the biometric enrolment letter that we will send you after we have received your application.

If your application is rejected as invalid

If you fail to do any of these things, for example, if the payment submitted does not cover the full cost of your application, or fails to meet the requirements set out above, your application will be rejected as invalid.

The fee charged is for the processing and consideration of the application. This fee will be payable once the application form is received by the Home Office or its payment processing agent, regardless of the outcome of the application.

We cannot begin the consideration process until the payment has cleared. We allow 5 working days for payments made by cheque to clear, credit/debit cards and postal orders will clear immediately.

If your application is rejected as invalid your application will not be considered and your fee will be refunded less an administration fee of £25 for each person included in the application. We will return the form with any documentation submitted to you. Biometric information for non-EEA nationals: form EEA(EFM)

Note: this section applies to non-EEA nationals applying for a residence card only. Do not complete this section if you are an EEA national applying for a registration certificate – proceed straight to section 1 instead.

If you are a non-EEA national applying for a residence card, you must complete this section in full. If you do not, we may reject your application and return it to you without consideration.

Introduction

In accordance with the Immigration (Provision of Physical Data) Regulations 2006 (as amended), any non-EEA national applying for a residence card as evidence of their right to reside under the Immigration (European Economic Area) Regulations 2016 ('the EEA Regulations') must give their biometric information (fingerprints and a digital photograph) before their application will be considered. You must complete this section fully to ensure that we have the correct information when you attend your biometric appointment.

When we receive your application, we will send you a biometric enrolment letter. This will instruct you to make an appointment at a designated Post Office to have your biometric information recorded. You will be charged an additional handling fee for this service, payable to the Post Office Ltd. You must pay the fee by cash or debit card when you attend your biometric enrolment appointment.

Do not send the biometric enrolment fee with your application fee.

Your application may be rejected as invalid if you do not enrol your biometric information when requested. For more information about biometrics, please go to: www.gov.uk/biometric-residence-permits
