- Verify the **information shown** on the certificate/goods (cf. seals).
- ↳ Register the **certificate** in the **EU TRACES** system
- ↳ The **Certificate** must accompany the goods

#### Commercial seals

- Place a commercial seal on the vehicle trailer, entering the same seal number on the **sanitary/phytosanitary certificate**.
- ↳ The **seal** provides security for the goods and will speed up border controls.

### Initiation of customs and sanitary formalities

#### Customs formalities

- Submit a pre-lodged declaration in the **DELT@ customs system prior to departure** of the goods.

#### Sanitary pre-notification

- Enter the data\* for the goods in the **EU TRACES** system at the time of departure of the goods.
- Attach a scanned copy of the sanitary or phytosanitary certificate.

## ON ARRIVAL AT THE BORDER POST

### Halt at the Veterinary and Phytosanitary Inspection Service (SIVEP) at the border

#### Submit to sanitary and phytosanitary controls (SPS)

- Hand over the sanitary/phytosanitary certificate of the **UK authorities** to the SIVEP officer.
- Position the trailer in the **inspection bay** and open it in the event of an in-depth identity check and physical inspection.
- ↳ **The SPS control** is carried out by the **SIVEP officer**.

## ON COMPLETION OF THE CONTROL PROCEDURES

### Finalize customs and sanitary formalities

#### Obtain the SPS document

- Take from the SIVEP officer the **document attesting to application of SPS controls** : the Common Veterinary Entry Document (CVED), the Common Health Entry Document (CHED), or the Common Entry Document (CED) according to the nature of the goods.
- ↳ **The CVED/CHED/CED** must accompany the goods.

#### Complete customs formalities

- Submit a pre-lodged declaration for acceptance.
- Wait for the release of the good by a customs officer.
