How to obtain a Cambodian Police Report

- ◆ Any British national in Cambodia who experiences theft or loss of personal effects should report such incidents to the Police.
- ◆ If your passport is lost or stolen, a police report is a local authority requirement for the purposes of obtaining a Cambodian exit visa.
- ◆ Long term residents should report to the **Immigration Police** (formerly known as the Foreigners Police).
- ◆ Tourists should report to the **Tourist Police**.
- ◆ **You should report to the police in the area where the incident occurred.** Otherwise you will need to go to the Immigration Department (opposite Phnom Penh International Airport) to obtain a police report.
- ◆ At the police station, fill in the form detailing your personal information (e.g. name, date of birth, place of birth, occupation etc) and then sign it.

Normally it takes between 1 to 2 days for the police to verify the incident with the local authority before an official Police Report is issued. We have received reports that an unofficial fee can be requested for a speedier service however OFFICIALLY THERE IS NO FEE FOR THIS SERVICE.
