Dear Lord Evans

Thank you for your letter of 21 March, informing me of the Committee on Standards in Public Life's decision to undertake a review on Artificial Intelligence (AI) and the use of associated advanced technologies in the public sector.

I agree that we must ensure that standards are upheld as AI becomes more widely used in the public sector, and I appreciate your sharing the terms of reference of this review with me.

I am grateful to the Committee for your continued efforts to maintain standards in public life, and look forward to receiving updates on this important work.

Thank you, once again, for your letter.

Yours sincerely
R. J.

The Right Honourable The Lord Evans of Weardale KCB DL
