

Local Authorities supported by HNDU

Local Authorities supported by the Heat Networks Delivery Unit in rounds 1-7:

The Heat Networks Delivery Unit provides grant funding and guidance to local authorities in England and Wales for heat network project development. Since it's inception, HNDU has run 7 funding rounds - awarding £17 million in total - and is currently running round 8. Over 200 unique projects have so far been supported across 140 local authorities.
