PART 6: PAYMENT AND AUDIT

26 PAYMENT AND AUDIT

26.1 Funding and Payment

- 26.1.1 In consideration of the Services to be provided by the Provider, the Department agrees to pay the Provider the amounts set out in Schedule 2 of this Agreement on condition that the Provider delivers the Services in accordance with the terms and conditions of this Agreement.
- 26.1.2 The Provider must use the Funding solely for the purpose of delivering the Services as set out in this Agreement.

- 26.1.3 The Provider will comply with the Funding Rules published by the Department as amended from time to time.
- 26.1.4 The Department reserves the right to impose additional conditions of funding where it considers it is necessary to do so to secure the delivery of education and training of a reasonable quality by the Provider, or to ensure that the resources provided by the Department are being used effectively and efficiently or to require the Provider to address concerns about its financial viability.
- 26.1.5 Payment by the Department will be without prejudice to any claims or rights, which the Department may have against the Provider and will not constitute any admission by the Department as to the performance by the Provider of its obligations hereunder. Prior to any such payment, the Department will be entitled to make deductions or deferments in respect of any disputes or claims whatsoever with or against the Provider, arising from this Agreement or any other Agreement between the Provider and the Department.
- 26.1.6 Where the Department carries out a review, investigation or audit of a sample of the evidence which the Provider is required to provide under this Agreement, or its preceding Agreement where applicable, to support the payments made by the Department and identifies errors in that evidence which it deems are material, the Department reserves the right at its absolute discretion to require the Provider, or the Department may (itself or via a third party) at the Provider's cost, to carry out 100% audit of all or part of the Services and/or to recover from the Provider an amount based on the error rate identified and the total value of the Agreement. Such amounts may be recovered by making adjustments to data submitted by the Provider under the Agreement, or by raising an invoice for payment by the Provider, or making deductions from future payments due to the Provider under the Agreement in the timescales as advised by the Department. Failure to settle such amounts by the Provider will constitute a Serious Breach under Clause 34 of the Agreement. The decision of the Department as to the amount of recovery under this Clause is final.
- 26.1.7 Where the Department, in accordance with clause 26.1.6, identifies errors it may at its discretion review the controls and processes to gain assurance the errors will not occur again. Where further assurance work is required this will be at the Provider's cost (or the Department will procure and recharge to the Provider at its sole discretion). Where a full finding audit results in a "qualified" rating this will constitute a Minor Breach.
- 26.1.8 The Department may implement a reduction in funding as set out in the Funding Rules through a notification and not a variation pursuant to clause 44 (Amendments to this Agreement).
- 26.1.9 All payments by the Department will be made via BACS.

 - (iii) it receives information which demonstrates that is not complying with its obligations under the Income Tax (Earnings and Pensions) Act 2003 and all other statutes and regulations relating to income tax.

26.1.12 The Department may supply any information which it receives under clause 26.1.10 to HMRC.

26.1.13 If, during the Agreement Period, an Occasion of Tax Non-Compliance occurs, the Provider will:

- (a) notify the Department in writing of such fact within 5 Working Days of its occurrence; and
- (b) promptly give the Department:

Failure to do so will be a Minor Breach of this Agreement.

(In the event where the Provider has an existing Protective Marking Scheme then the Provider may continue to use this but must map the HMG security classifications against it to ensure the correct controls are applied to the Departmental Data).
- 1.5. Departmental Data being handled in the course of providing an ICT solution or Service must be segregated from all other data on the Provider’s or sub-contractor’s own IT equipment to protect the Departmental Data and enable the data to be identified and securely deleted when required. In the event that it is not possible to segregate any Departmental Data then the Provider and any sub-contractor will be required to ensure that it is stored in such a way that it is possible to securely delete the data in line with Clause 1.14.

This clause will apply equally regardless of whether the material is being carried inside or outside of company premises.

- 1.15 At the end of the Agreement or in the event of equipment failure or obsolescence, all Departmental information and data, in either hardcopy or electronic format, that is physically held or logically stored on the Provider's ICT infrastructure must be securely sanitised or destroyed and accounted for in accordance with the current HMG policy using a NCSC approved product or method. Where sanitisation or destruction is not possible for legal, regulatory or technical reasons, such as a Storage Area Network (SAN) or shared backup tapes, then the Provider or sub-contractor will protect the Department's information and data until the time, which may be long after the end of the Agreement, when it can be securely cleansed or destroyed.
- 1.16 Access by Provider or sub-contractor staff to Departmental Data will be confined to those individuals who have a "need-to-know" in order to carry out their role; and have undergone mandatory pre-employment screening, to a minimum of HMG Baseline Personnel Security Standard (BPSS); or hold an appropriate National Security Vetting clearance as required by the Department. This should include evidence that the Provider has tested or exercised these plans within the last 12 months and produced a written report of the outcome, including required actions.
- 1.19 Any suspected or actual breach of the confidentiality, integrity or availability of Departmental Data being handled in the course of providing this Service, or any non-compliance with these Departmental Security Standards for Contractors, or other Security Standards pertaining to the solution, will be investigated immediately and escalated to the Department by a method agreed by both parties.
- 1.20 The Provider will ensure that any IT systems and hosting environments that are used to handle, store or process Departmental Data will be subject to independent IT Health Checks (ITHC) using a NCSC approved ITHC provider before go-live and periodically (at least annually) thereafter. The findings of the ITHC relevant to the Service being provided are to be shared with the Department and all necessary remedial work carried out. In the event of significant security issues being identified, a follow up remediation test may be required.

This will include obtaining any necessary professional security resources required to support the Provider's and sub-contractor's security assurance activities such as: a NCSC Certified Cyber Security Consultancy (CCSC) or NCSC Certified Professional (CCP) Security and Information Risk Advisor (SIRA).

1 DEFINITIONS

- "Exit Manager"** the person appointed by each party pursuant to paragraph 3.3 of this Schedule 8 (Exit Arrangements) for managing the Provider's obligations under Schedule 8 (Exit Arrangements);
- "Exit Plan"** the plan produced and updated by the Provider during the Agreement Period in accordance with paragraph 5 of this Schedule 8 (Exit Arrangements);

2 OVERVIEW

- 2.1 The Provider is required to ensure it performs its obligations to assist in the orderly transition of the Services from the Provider to the Department and/or any Successor Provider in the event of termination (including partial termination) or expiry of this Agreement. This will include the transition of the Services to a follow-on agreement with the same Provider if applicable. This schedule sets out the principles of the exit and service transfer arrangements that are intended to achieve such orderly transition. For the avoidance of doubt, the Provider will be responsible for the overall management of the exit and service transfer arrangements.

3 CONTRACT LIFE OBLIGATIONS

- 3.1 The Provider will draw up an Exit Plan in accordance with Paragraph 5.1.
- 3.2 The Provider will (unless otherwise agreed by the Department in writing) procure that all Sub-Contracts and other agreements with third parties used exclusively to deliver the Services to the Department, which are necessary to enable the Department and/or any Successor Provider to perform the Services in accordance with this Agreement or to enable re-provision of the Services, will be assignable and/or capable of novation at the request of the Department to the Department (and/or its nominee) and/or any Successor Provider upon the Provider ceasing to provide the Services (or part of them) without restriction (including any need to obtain any consent or approval) or payment by the Department. Where the Provider uses Sub-Contracts and other agreements to deliver the Services and these agreements are part of framework agreements that the Provider has with its third party suppliers, the Provider will provide sufficient information and assistance to enable the Successor Provider or the Department to enter into an agreement with such supplier directly.
- 3.3 The Provider will appoint an Exit Manager. The Provider's Exit Manager will be responsible for ensuring that the Provider and its personnel, agents and Sub-Contractors comply with this schedule. The Provider will ensure that its Exit Manager has the requisite authority to arrange and procure
