Data item / rule number

CS027 – Early Years setting type

Description of change

Update the codeset in CBDS to rationalise the early years setting codeset.

From:

CS027 / D00078	EY Setting Type
DNS	Day Nursery
PPS	Playgroup or Pre-school
NUR	Nursery school
FCI	Family/Combined/Integrated Centre
SSM	Sure Start Children's Centre - Main Centre Site
SSL	Sure Start Children's Centre - Linked Setting
OTH	Other

To:

CS027 / D00078	EY Setting Type
EYP	Early years childcare provider
SSC	Sure start children's centre
OTH	Other

Reason for change (including benefits)

Both category of provider and type of setting variables have not been reviewed for a number of years and some are no longer fit for purpose. We therefore want to rationalise these to more accurately reflect the composition of the early years childcare market and make it quicker and easier for childcare providers to complete their EY census data return
