Dear Home Secretary,

Thank you for your letter commissioning the MAC to advise on potential future salary thresholds and the range at which they could be set. This is an important issue for Government and businesses alike and the MAC welcome the opportunity to further develop the evidence-base it produced for the EEA Migration in the UK report.

The MAC looks forward to engaging with colleagues in Government, business and all other interested parties to produce a high quality evidence-based report in response to this commission. The MAC will aim to produce its final report and recommendations in January 2020.

Yours Sincerely

Professor Alan Manning
