

Miscellaneous car driving test information

Year 2018/19

Pass rate – 45.8%

Tests passed with 0 faults – 18922

Top ten reasons for failing

- **Junctions (observation)**
- **Mirrors – (change direction)**
- **Control (steering)**
- **Junctions (turning right)**
- **Move off (safely)**
- **Response to signals (traffic lights)**
- **Move off (control)**
- **Positioning (normal driving)**
- **Response to signals (road markings)**
- **Reverse park (control)**

Year 2016/17

Pass rate – 47.1%

Tests passed with 0 faults – 17950

Top ten reasons for failing

- **Junctions (observation)**
- **Mirrors – (change direction)**
- **Control (steering)**
- **Junctions (turning right)**
- **Move off (safely)**
- **Positioning (normal driving)**
- **Move off (control)**
- **Response to signals (traffic lights)**
- **Reverse park (control)**
- **Response to signals (Traffic Signs)**

Year 2017/18

Pass rate – 46.3%

Tests passed with 0 faults – 18410

Top ten reasons for failing

- **Junctions (observation)**
- **Mirrors – (change direction)**
- **Control (steering)**
- **Junctions (turning right)**
- **Move off (safely)**
- **Move off (control)**
- **Response to signals (traffic lights)**
- **Positioning (normal driving)**
- **Reverse park (control)**
- **Response to signals (road markings)**

Year 2015/16

Pass rate – 47.0%

Tests passed with 0 faults – 14634

Top ten reasons for failing

- **Junctions (observation)**
- **Mirrors – (change direction)**
- **Control (steering)**
- **Junctions (turning right)**
- **Positioning (normal driving)**
- **Move off (safely)**
- **Move off (control)**
- **Response to signals (traffic lights)**
- **Reverse park (control)**
- **Response to signals (road markings)**

Year 2014/15

Pass rate – 46.9%

Tests passed with 0 faults – 13852

Top ten reasons for failing

- **Junctions (observation)**
- **Use of mirrors – (change direction)**
- **Control (steering)**
- **Junctions (turning right)**
- **Response to signals (traffic lights)**
- **Move off (control)**
- **Positioning (normal driving)**
- **Move off (safety)**
- **Reverse park (control)**
- **Response to signals (road markings)**

Year 2012/13

Pass rate – 47.1%

Tests passed with 0 faults – 10380

Top ten reasons for failing

- **Junctions (observation)**
- **Use of mirrors – (change direction)**
- **Junctions (turning right)**
- **Control (steering)**
- **Response to signals (traffic lights)**
- **Move off (safety)**
- **Positioning (normal driving)**
- **Move off (control)**
- **Reverse park (control)**
- **Response to signals (road markings)**

Year 2010/11

Pass rate – 46.3%

Tests passed with 0 faults – 8189

Top ten reasons for failing

- **Junctions (observation)**
- **Use of mirrors – (change direction)**
- **Junctions (turning right)**
- **Move off (safety)**
- **Control (steering)**
- **Reverse park (control)**
- **Reverse /left reverse (control)**
- **Positioning (normal driving)**
- **Response to signals (traffic lights)**
- **Move off (control)**

Year 2013/14

Pass rate – 47.1%

Tests passed with 0 faults – 11984

Top ten reasons for failing

- **Junctions (observation)**
- **Use of mirrors – (change direction)**
- **Control (steering)**
- **Junctions (turning right)**
- **Response to signals (traffic lights)**
- **Move off (safety)**
- **Move off (control)**
- **Positioning (normal driving)**
- **Reverse park (control)**
- **Response to signals (road markings)**

Year 2011/12

Pass rate – 46.9%

Tests passed with 0 faults – 10328

Top ten reasons for failing

- **Junctions (observation)**
- **Use of mirrors – (change direction)**
- **Junctions (turning right)**
- **Control (steering)**
- **Move off (safety)**
- **Response to signals (traffic lights)**
- **Positioning (normal driving)**
- **Move off (control)**
- **Reverse park (control)**
- **Response to signals (road markings)**

Year 2009/10

Pass rate – 45.9%

Tests passed with 0 faults – 6032

Top ten reasons for failing

- **Junctions (observation)**
- **Use of mirrors – (change direction)**
- **Reverse /left reverse (control)**
- **Reverse park (control)**
- **Move off (safety)**
- **Control (steering)**
- **Junctions (turning right)**
- **Positioning (normal driving)**
- **Move off (control)**
- **Response to signals (traffic lights)**

Year 2008/09

Pass rate – 45.3%

Tests passed with 0 faults – 5294

Top ten reasons for failing

- **Junctions (observation)**
- **Use of mirrors – (change direction)**
- **Reverse /left reverse (control)**
- **Reverse park (control)**
- **Move off (safety)**
- **Control (steering)**
- **Junctions (turning right)**
- **Positioning (normal driving)**
- **Move off (control)**
- **Response to signals (Traffic lights)**

Year 2007/08

Pass rate – 44.2%

Tests passed with 0 faults – 4107

Top ten reasons for failing

- **Junctions (observation)**
- **Reverse /left reverse (control)**
- **Use of mirrors – (change direction)**
- **Reverse park (control)**
- **Control (steering)**
- **Move off (safety)**
- **Junctions (turning right)**
- **Positioning (normal driving)**
- **Move off (control)**
- **Progress (appropriate speed)**

Year 2006/07

Pass rate – 43.3%

Tests passed with 0 faults – 3329

Top ten reasons for failing

- **Junctions (observation)**
- **Reverse /left reverse (control)**
- **Reverse park (control)**
- **Use of mirrors – (change direction)**
- **Move off (safety)**
- **Control (steering)**
- **Junctions (turning right)**
- **Positioning (normal driving)**
- **Move off (control)**

Progress (appropriate speed)
