

Government Chemist

# Save the date

## Government Chemist Conference 2020

24 – 25 June

Royal Society of Chemistry  
Burlington House, Piccadilly  
London, W1J 0BA

In 2020, join experts to discuss future challenges in the manufacturing, packaging, retailing and testing of food that is safe and consumers can trust

For updates on the programme and registration details (to be released in September) follow:
