## Screening stages

1. **EXPECTED**
   - Population estimated to meet programme criteria

2. **TOTAL**
   - Population meeting programme criteria

3. **ELIGIBLE**
   - Population who should be offered screening

4. **INELIGIBLE**
   - Population who should not be offered screening

5. **OFFER/INVITE**
   - Population offered or invited for screening

6. **NO OFFER/INVITE**
   - Population not offered or invited for screening

7. **ACCEPT**
   - Population who choose to accept screening

8. **DECLINE**
   - Population who choose to decline screening

9. **NO RESPONSE**
   - Population who do not respond to the offer

10. **TEST**
    - Population receiving a screening result

11. **REFERRAL**
    - Population for whom the screening test is followed up

12. **NO DIAGNOSIS/NO INTERVENTION**
    - Population not receiving a screening result

13. **DIAGNOSIS/INTERVENTION**
    - Population not followed up

Where the boxes indicate that it is a referral point, the referral can be following screening or following diagnosis / intervention.
