How we will use your information

We, the Environment Agency, process the information you provide so that we can:

- Publish, on our website, the location of your Yellow Fish scheme, the date it was carried out and the name of your organisation.

We may also process or release the information to:

- contact you about your participation in the Yellow Fish scheme.
- offer you documents or services relating to environmental matters;
- consult the public, public organisations and other organisations (for example, local authorities, the emergency services, the Department for Environment, Food and Rural Affairs) on environmental issues;
- carry out research and development work on environmental issues;
- assess whether customers are satisfied with our service, and to improve our service; and
- respond to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 (if the Data Protection Act allows).

We may pass the information on to our agents or representatives to do these things for us.

Please return the form to:
