Dear Consultee,

**INDUSTRY LED NON-FORMAL CONSULTATION ON AQUACULTURE IN ENGLAND:
PLANNING FOR SUSTAINABLE GROWTH IN THE ENGLISH AQUACULTURE

This innovative consultation has been written by an industry group, representing the aquaculture industry in England, and seeks to identify how the industry can grow in England. Defra are running the consultation on behalf of the industry.

We welcome your views and comments on the proposals.

These documents are not being published in hard-copy, however if you experience any difficulty in accessing the versions on our website, please contact us by e-mail at: AquaculturePlanforEnglandConsultation@defra.gsi.gov.uk

Responses

In order to save paper, I encourage you to respond by email if possible, to:

AquaculturePlanforEnglandConsultation@defra.gsi.gov.uk

Alternatively, postal responses should be addressed to:

Defra, Aquaculture Team, Area 2C, Nobel House, 17 Smith Square, London, SW1P 3JR.

Please do not send duplicate responses by both email and hard copy.

Joint responses

If you are responding on behalf of a number of organisations, please indicate clearly in your response who you are representing. It is not necessary for your members to submit multiple identical responses. Group members who wish to submit their own response are politely requested to restrict their individual reply to those areas where they disagree with the group reply or have additional information or comments. This will help improve the efficiency of our analysis, and we are most grateful for your co-operation.

Deadline

This consultation will run for 8 weeks. The deadline for all responses is therefore **8 March 2012**. I regret that we may not be able to consider any views which are received after this date.

Consultation Criteria

This consultation is in line with the Code of practice on Consultations. This can be found at www.berr.gov.uk/bre/

When this consultation ends, we intend to put a copy of the responses in the Defra library at Ergon House, London. This is so that the public can see them. Also, members of the public may ask for a copy of responses under freedom of information legislation.

Please explain why you need to keep details confidential. We will take your reasons into account if someone asks for this information under freedom of information legislation. But, because of the law, we cannot promise that we will always be able to keep those details confidential.
